DIWALI CELEBRATIONS

Silver Oak has always believed in unity keeping all its members' growth and development in mind. Following its tradition, the university celebrated Diwali, the festival of lights, on 9th and 10th November 2023 to spread warmth, love, and the radiance of hope among the SOU Family members as a team to celebrate and share in the joy, blessings, and camaraderie that this auspicious occasion brings and fostered a sense of belongingness. These moments created some unforgettable memories that will be cherished forever. Few competitions and games namely Tambola, Musical Chair, Dumb Charades, Treasure Hunt, Rangoli making competition and Staff Decoration competition had been organized on both these days. For all the competitions, winners were given prizes by the university. On 10th November 2023, a Diwali treat was arranged for all the members. The celebration came out to be colorful as all the members wore traditional attire. Diwali gifts were also distributed among the family.

WALI ATIONS!!!!

ILLUMINATE

by IIT Bombay
@IGNITE

On November 8, 2023, the E Cell Ignite Incubation Centre hosted "Illuminate" at the Ignite Auditorium. The event featured Mr. Chinmay Shah, the Director of Crescent Electronics Pvt. Ltd., as the distinguished speaker. Organized in collaboration with E-Cell IIT Bombay, this boot camp on entrepreneurship attracted a total of 30 participants.

During the session, Mr. Chinmay Shah provided invaluable insights into the intricacies of start-ups, offering guidance on building a successful entrepreneurial journey. Topics covered included business models, team building, revenue streams, product validation, market segmentation, and intellectual property. The Ignite team, in tandem with the session, conducted various business-related activities. To culminate the day, all participants received certificates from E-Cell IIT Bombay, acknowledging their active engagement in the enlightening boot camp.

"Illuminate" served as a collaborative platform for learning, fostering entrepreneurship, and recognizing the efforts of students as they gained knowledge and practical insights into the world of start-ups. The event, with its distinguished speaker and interactive activities, contributed to the participants' understanding of key aspects in establishing and nurturing successful entrepreneurial ventures.

GDSC FLUTTER 101

@ IEEE SOU

Silver Oak University IEEE Student Branch in collaboration with Peepal Tree Club and GDSC Silver Oak University Chapter orchestrated a weekly event titled "Flutter 101". The event aimed to provide participants with a thorough grasp of Flutter development and its significance. It revolved around crafting mobile applications using the versatile Flutter framework. The sessions were conducted by Mr. Shreyas Chauhan, a skilled Flutter Developer at Kryian Infotech and Mr. Parth Panchal, who holds the position of Project Lead at Kriyan Infotech and SilverXis Inc. and also a student of final year B.Tech. Computer Engineering at Silver Oak College of Engineering and Technology. The sessions were conducted at EB - 803, Silver Oak University on alternative Saturdays from 12th August, 2023 to 14th October, 2023.

The "Flutter 101" event was a captivating exploration into the world of Flutter development. With esteemed speakers and industry experts leading the way, participants delved into the nuances of Flutter concepts, from the foundational to the advanced. Each session provided not just theoretical knowledge but valuable hands-on experiences, adding a practical edge to the learning journey.

The certificate distribution ceremony marked the culmination of this enriching experience, recognizing and celebrating the dedication of participants. Prof. Sanket Shah and Prof. Gaurav Tiwari were thanked for coordinating the event successfully under the guidance of Dr. Satvik Khara. Beyond being a milestone in technical education, the event fostered a collaborative and enthusiastic spirit among participants. The emphasis on continuous learning and achieving excellence in Flutter app development resonated strongly, leaving attendees inspired and well-prepared for the ongoing challenges and opportunities in the dynamic realm of Flutter.

Workshop on Chocolate Making

The one day workshop on "Chocolate Making" organized on 6th of November by Prof. Pragati R Kavar and Prof. Zarna Shah at Electrical Engineering department under the Center of Continuing Education was a resounding success that unfolded the artistry on making of different flavored chocolates like triple layer chocolate, dry-fruit chocolates, choco truffle, Nutella hazelnut Truffle, Coffee Truffle. She explained the process of making chocolates by using premium cocoa into mouthwatering delights. The programme was inaugurated by Prof. Narendra Mahavadia, Principal, Diploma Engineering, Aditya Silver Oak Institute of Technology. It witnessed the attendance of Dr. M. N. Patel, Advisor; Dr. Pina Bhatt, Deputy Vice Chancellor; Dr. Manthan Panchal, Principal SOIS; Dr. Jay Dave, HOD Computer Department and Dr. Rahul Vaghela, HOD Information Technology who graced the valediction.

SILVER OAK FACULTY

AS AN EXPERT

Dr. Edwin Pithawala, Associate Professor, Department of Microbiology, Silver Oak Institute of Science has delivered a lecture on "Insights in Microbiology: Tools and Techniques" as a Resource person at Ahmedabad Dental College, Ahmedabad. Expert talk was followed by hands-on practice to prepare the participants of Postgraduate MDS students to handle microorganisms. A total of 35 interested participants benefited and the concept behind microbiology techniques and handling cultures was delivered and practiced.

PROUD MOMENT

SOIS BEGGED 1ST PRIZE IN NATIONAL HACKATHON 2023

Silver Oak's B.Sc and M.Sc Biotechnology students redefined innovation and tech brilliance at the recent New India Vibrant National Hackathon 2023, securing top honors and leaving an indelible mark on the tech landscape in the regional round. Their collective genius, relentless dedication, and collaborative spirit not only brought home accolades but also showcased Silver Oak University as a powerhouse of talent. Congratulations to our extraordinary tech enthusiasts for proving that at Silver Oak, we don't just learn - we innovate, we excel, and we set new standards.

VIBRANT TRAINING & PLACEMENT CELL

In the vibrant landscape of Silver Oak University, the past weeks have witnessed a myriad of enriching activities and events, showcasing our commitment to holistic student development. An exclusive Maruti Suzuki India Ltd. campus recruitment drive for first-semester BBA students in retail management exemplified a unique collaboration with the National Skill Development Corporation, bridging academia and the dynamic automotive industry. 22 students of the BBA first semester have been selected by the dealers of Maruti Suzuki India Ltd. The TCS codevita season xi informational session offered students insights into the world's largest programming/coding competition, preparing them for global challenges. Praajasv Foundation's Sensitization session on UPSC and GPSC empowered aspiring civil servants with comprehensive knowledge and guidance.

Looking ahead, The Global Immersion Programme In Malaysia promises a transformative experience, from January 26 to February 1, 2024, this 6-night, 7-day program focuses on a triple certification program, catering to students in diverse courses like BBA, B.Com, M.Com, MBA, PGDM, B.Tech, M.Tech, Law, and more, including alumni. The itinerary features corporate visits to Siemens in Malaysia, Samsung Electronics, and Nestle Malaysia Berhad, providing hands-on exposure and the chance to earn an international live project certification. The recently forged Memorandum Of Understanding (MOU) with Connecting Dreams Foundation introduces a digital learning platform, _VOIS For Tech, empowering students in Industry 4.0 technologies. Additionally, esteemed companies like IBM, TCS, Finolex Cables, Capgemini India, Reliance Industries Ltd., and Polycab India were invited for a campus recruiting drive and the further process will be scheduled soon. These initiatives collectively reflect Silver Oak University's dedication to providing a well-rounded education, fostering industry connections, and preparing students for success in their chosen fields.

ACTIVITIES

@ Alumni cell

The Alumni Cell at Silver Oak University continued its commitment to fostering connections and celebrating the achievements of our esteemed alumni during the month of November 2023. The highlight of the month was the Alumni felicitation, where we honored the outstanding accomplishments of the following alumni from various institutes Ankur Mishra, Rushabh Parekh, Jaimin Dave, Swati Vaghela, Margi Ladhawal, Krisha Prajapati, Mihir Gujarati, and Nirav Gajjar.

These events not only celebrated individual success but also strengthened the ties between the alumni and the alma mater. These initiatives aim to create a supportive ecosystem for both current students and alumni to collaborate and thrive. The Alumni Cell remains committed to nurturing this vibrant community and creating opportunities for collaboration and growth.

Placement Highlights...

Silver Oak University's training and placement cell stands out as a prime hub for recruiting emerging talent directly from campuses. Committed to producing industry-ready professionals with qualities such as discipline, self-learning, ethics, and overall excellence, our placement model follows a meticulous four-stage process: pre-placement activities, career guidance, execution of placement initiatives, and post-placement reviews. Beyond traditional support, we actively promote student training programs, encourage project work and stipend based internships to promote learning while earning, facilitate continuous institute-industry interactions, organize alumni activities, participate in various events, provide career counseling, arrange industry visits, and host distinguished speakers. This enduring commitment ensures that our students secure promising placements and thrive in dynamic professional environments. For the students of the institute of science, management, and technology, more than 25 reputed companies were invited and 12 talented candidates were recruited by significant companies, including Akhilalabs Pvt. Ltd., Piramal Pharma Solutions, Associater Deste Fft Pvt. Ltd., K P Tender Consultant Llp, Ascendum Kps, Bosch Rexroth, Sysnet Global Technology, Syndell Technologies Etc. We are excited to bring you the fantastic news that Ascendum Kps has enhanced its premier package offer to an impressive 4.5 LPA, while the average package offer has been raised to an attractive 3 LPA.

TRIUMPH!!

DR. JAY A DAVE

Dr. Jay A Dave, Associate Professor and HOD of Computer Engineering, Aditya Silver Oak Institute of Technology was invited as a Program Committee Member and Reviewer in the 3rd International Conference on Intelligent Vision and Computing (ICIVC-2023) held during November 25-26, 2023.

DR. MANTHAN PANCHAL

Silver Oak University wholeheartedly congratulates Dr. Manthan Panchal (Principal-SOIS) for his euphoric achievement in publishing a research paper entitled "Fluorescence Quenching and the Chamber of Nitroaromatics: A Dinaphthoylated Oxacalix[4]arene's (DNOC) Adventure Captured through Computational and Experimental Study" in an International peer reviewed journal Journal of Fluorescence (I.F.: 2.525; Springer Publication). His findings highlight application of Dinaphthoylated Oxacalix[4]arene (DNOC) as a novel fluorescent receptor for the purpose of selectively detecting nitroaromatic compounds (NACs). His academic publication showcases a keen intellect and a perceptive, observant nature.

STUDENT ACCOLADES

Ms. Vidhi Nagar, student of Chemistry Department at Silver Oak Institute of Science, Silver Oak University had secured first rank in Gandhian Engineering Idea competition held on 2nd October, 2023 organized by AURO Innovation And Continuing Education Centre(AICEC), AURO University, Surat, Gujarat. Vidhi has presented her idea on Smart Phone-based Explosive Detection Electronic Chemo Sensor. She worked under the guidance of Dr. Manthan K. Panchal, Principal, Silver Oak Institute of Science,. We congratulate her and wish best wishes for her future endeavors.
