A VISHKAR

2024

A spectacular event - "Aavishkar 2024" a Project Fair was organized right at the heart of our Silver Oak University campus. It was a gathering of budding student minds, each brimming with innovative ideas, showcasing their creativity through a myriad of models and presentations. The event saw an impressive turnout, with over 2500 students unleashing their talent on this grand platform, presenting a whopping 650 projects spanning various disciplines.

Aligned with the core ethos of Silver Oak University, "Education to Innovation", the event was not just a display of creativity but also a testament to our commitment to addressing global challenges. A panel of over 30 experts hailing from prestigious research institutes and industries lent their expertise to evaluate the projects crafted by our students.

The ambiance was electric with excitement as visitors marveled at the exhibits, thoroughly impressed by the sheer creativity and ingenuity on display. It was indeed a celebration of innovation and a showcase of our students' remarkable capabilities.

EPIC PERFORMANCES AND DJ SETS

SOU

ALUMNI REUNION 2024

The Alumni Reunion 2024 at Silver Oak University was an unforgettable event that brought together over 750 beloved alumni. The evening was filled with warmth, laughter, and nostalgia, thanks to the incredible hosting by RJ Love. The talented alumni showcased their skills with breathtaking cultural performances, leaving everyone in awe. The event also featured an epic DJ set that kept everyone entertained with musical melodies.

The university would like to extend its gratitude to the esteemed industry guests who took time out of their busy schedules to attend the event. These guests included Mr. Ramesh Savaliya, Plant Head at Devarsons Industries Pvt Ltd; Mr. Jigar Patel, CEO of VIANCI ENTERPRISE; and Mr. Kumaril Patel, CEO of Sapphire Solutions.

University expressed heartfelt thanks to all the alumni, who attended, for making this event truly unforgettable.

HPV Awareness

A Journey Towards Healthier You

In a significant step towards promoting public health awareness, an expert talk on "HPV Awareness" was organized at the Ignite Auditorium. The 60-minute session, featuring Ms. Anvi Agarwal, as the speaker, provided comprehensive information on the critical issue of Human Papillomavirus (HPV) and its health implications.

The event aimed to increase understanding of HPV, educate participants on the importance of HPV vaccination, provide information on early detection and prevention of HPV-related diseases, and encourage community engagement and discussion about HPV-related health issues. The well-attended session, with 65 students participating, effectively delivered credible and comprehensive information, fostering an environment of learning and proactive health management.

The insightful session highlighted the importance of such initiatives in promoting public health awareness and prevention strategies. The presence of the expert speaker played a key role in the success of the event, emphasizing the university's commitment to fostering a healthy and informed community.

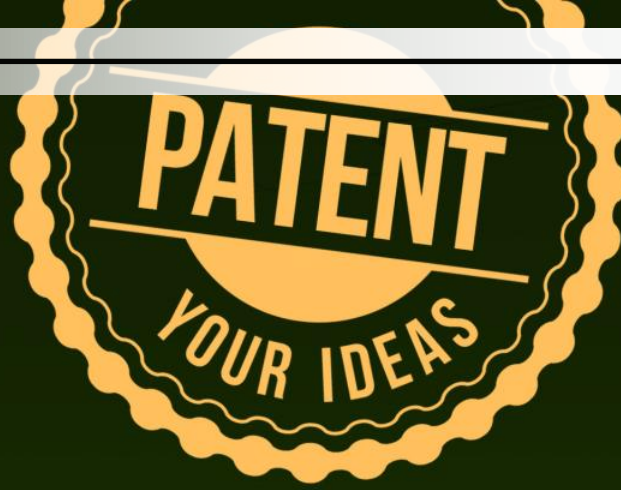

FLUTTER TO THE FUTURE

The Department of Masters at Silver Oak College of Computer Application recently hosted a comprehensive 5-day Faculty Development Program titled "Mobile Application Development using Flutter" through the Centre for Continuing Education from May 27th to May 31st, 2024. The program was expertly guided by Prof. Madhavi Bhuptani, an Assistant Professor at SOCCA. Prof. Unnati Parmar, an Assistant Professor in MCA at SOCCA, diligently coordinated the program.

The FDP aimed to enhance skills and knowledge in the dynamic field of mobile application development utilizing Flutter technology. With a total of 17 participants, the program provided a unique opportunity for faculty members to gain hands-on experience and expertise in developing mobile applications using Flutter.

EXPERT INSIGHTS FOR A KNOWLEDGE ECONOMY

On a recent occasion, the Ignite Auditorium hosted an expert talk titled "Patent Pathways: Navigating Innovation Safely." The 60-minute session was led by Mr. Amit Patel, the founder of PATectual, who provided comprehensive information on patents, copyrights, and trademarks. Mr. Patel emphasized the growing trend of patent filings in India and discussed the optimal timing for filing patent applications, the criteria required for obtaining a patent for an invention, and the procedural steps for patent granting in the country.

The event was well-attended, with 40 students and 30 faculty members participating. Mr. Amit encouraged innovators to submit new applications on a large scale, celebrating World IPR Day. Patel's insights and guidance serve as a valuable roadmap for those seeking to protect their inventions and secure their place in the competitive global market.

Kind words

are short and easy to speak

but their echoes are

truly endless...

Silver Oak University IEEE Women in Engineering Student Branch Affinity Group hosted "Safe Touch" at Mother Teresa Orphanage Missionaries of Charity - Ahmedabad on May 18, 2024, to offer pleasure and awareness to the girls. The program included safe touch education, creative activities, and fun. 26 enthusiastic students participated.

Paperback Pals

Pages Unfolded

A highly engaging and a very inspiring book discussion session titled "Pages Unfolded" was organised on April 29, 2024, by Paperback Pals under the Silver Oak University IEEE, Women in Engineering Student Branch Affinity Group from 11:00 a.m. to 12:15 p.m. at Apple Lab, Silver Oak University.

The main objective of this event was to delve into the intriguing world of different genres of scripts, igniting enthusiasm and sparking curiosity among participants. The literary gathering unfolded in a warm and inviting atmosphere as members enthusiastically introduced themselves, expressing their deep-rooted passion for literature and the diverse perspectives they bring to the table. 10 students participated in this event.

SIGHT DAY

Celebration

The Sight Day was celebrated on April 29, 2024 by IEEE SOU SB and IEEE SOU SIGHT SBG which was hosted at Navjeevan Charitable Trust, Memnagar, Ahmedabad.

This event aimed to educate special-needs children for their benefit. The event began with an introduction of children, followed by fun activities to set the mood. Advanced AR and VR technology allowed volunteers to immerse these children in a magical world beyond their wildest dreams. Enthusiast volunteers with VR headsets, created a customized environment to experience technology.

Volunteers tried to give them an immersive and fun experience while also boosting their cognitive development and sparking their curiosity about the world. Finally, participants gave them snacks to keep them happy. This event drew 60 enthusiastic students.

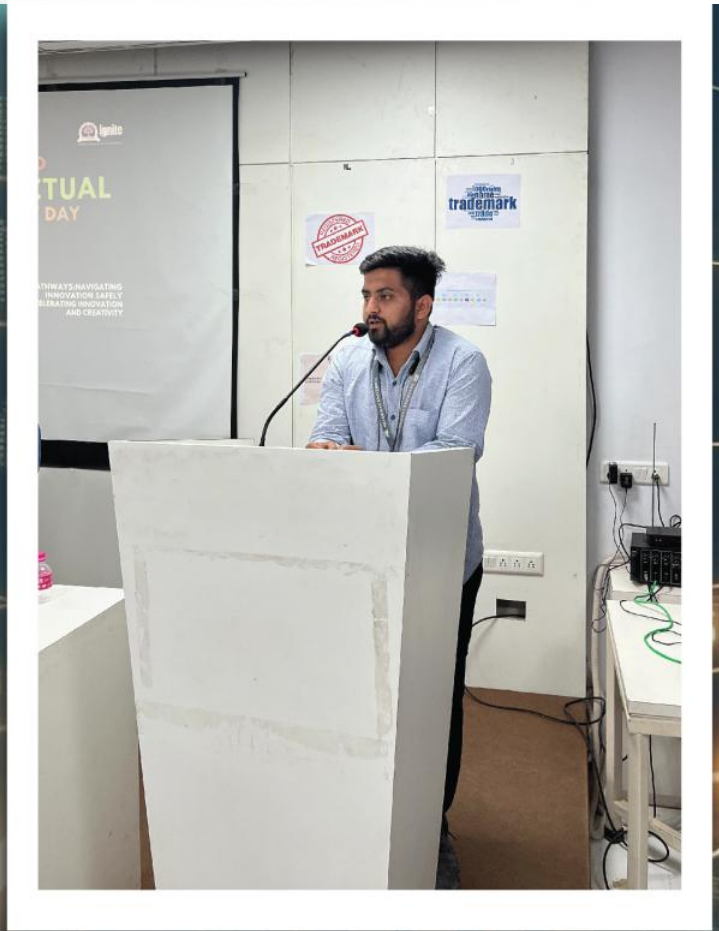

MANAGING MARKET MOVES

for Financial Success

Silver Oak University hosted a seminar titled "Managing Market Moves" at the Ignite Auditorium. The 60-minute session featured Mr. Deepak Wadhwa, a full-time trader and investor, who provided an in-depth analysis of recent market movements, emerging sectors, and growth opportunities. Discussions also covered the impact of global events and economic indicators on financial markets.

The seminar, coordinated by Teena Sachdev and sponsored by Silver Oak University, saw participation from 70 students. Attendees gained valuable insights into current market dynamics and investment strategies, fostering meaningful connections with industry experts. The event was a significant step toward empowering individuals to navigate financial markets effectively, with plans to build on this success in future high-impact events.

Forging Pathways

LINKING ACADEMIC INQUIRY WITH INDUSTRY INNOVATION

Silver Oak University recently hosted an exciting AI and machine learning event on May 3, 2024, which saw enthusiastic participation from 252 professional learners and university students. The event, organized by the IEEE Signal Processing Society Gujarat Chapter and Google Developer Student Clubs, aimed to bridge the gap between academic research and industry applications, fostering cross-disciplinary collaboration.

AI

BREAKING BARRIERS, BUILDING VENTURES

The "Transforming Tech Startup Landscape" conference, hosted by Tinker Hub, brought together a diverse group of women shaping the future of tech startups. The event, attended by around 100 to 150 participants, aimed to provide insights into launching ventures and emphasize the influential role of women in startups.

Ms. Teena Sachdev from Ignite, Silver Oak University, joined four remarkable women from different cities as a panelist. The conference featured engaging discussions, fostering innovation and entrepreneurship among attendees. Participants left with enriched knowledge, inspired to contribute to the evolving landscape of tech startups.

The event aimed to inspire and equip participants with strategies for success in the tech startup ecosystem, providing a platform for attendees to network and learn from each other's experiences. The conference was a significant step towards promoting women's participation in the tech startup ecosystem, highlighting their crucial role in driving innovation and growth.

FROM CAMPUS TO COUNTRY

SILVER OAK'S NCC STARS SHINE!

In a remarkable achievement, all Silver Oak University NCC cadets have successfully cleared the National Level NCC 'C' Certificate Examination. This outstanding performance is a testament to their unwavering dedication and hard work, reflecting the excellence of the institution.

The cadets' commitment to upholding the values of the National Cadet Corps (NCC) has earned them a prestigious recognition, making them esteemed representatives of Silver Oak University's commitment to excellence and service. This remarkable feat is a significant milestone in their journey, showcasing their growth and development as disciplined and patriotic citizens.

The Silver Oak University community congratulates its NCC cadets on this outstanding achievement, celebrating their remarkable success and commitment to excellence.

PAPERBACK PALS - "POWER WITHIN MINDSET"

On May 18, 2024, Paperback Pals under the Silver Oak University IEEE, Women in Engineering Student Branch Affinity Group had an online book discussion titled "Power within Mindset" from 12:30 a.m. to 2:00 p.m. This event used examples to convey the book's primary ideas and show how motivation can direct action, symbolising overcoming procrastination through analogies. Using a book "Rat Experiment Concept," participants examined dopamine's biological impacts, emphasizing its essential points. A group of fifteen students participated in this event.

Navigating the Intersection:

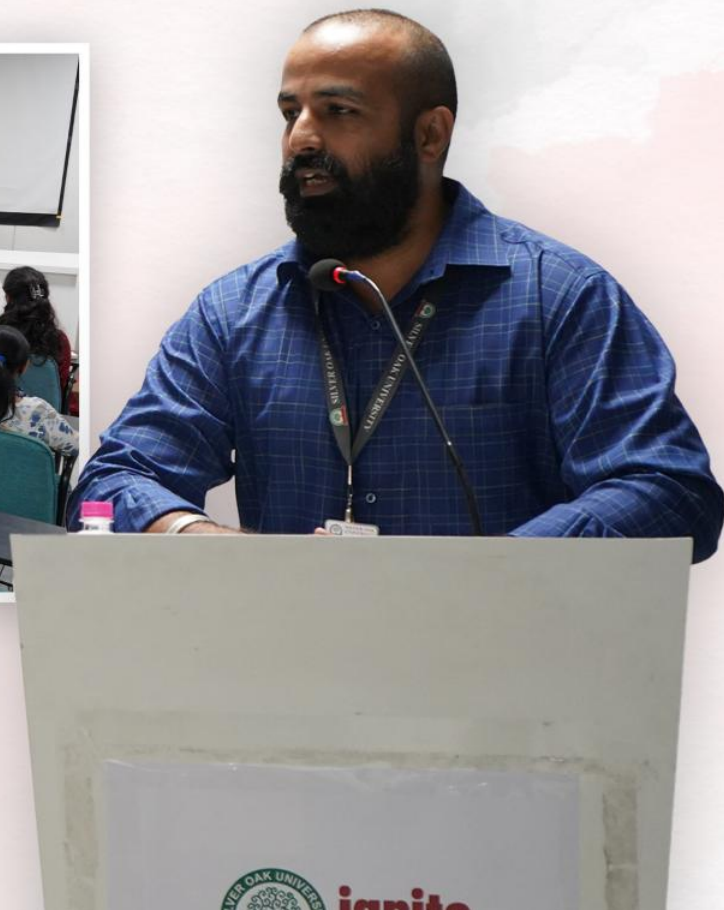

INDUSTRIAL DESIGN

AND

INTELLECTUAL PROPERTY RIGHTS

On May 28, 2024, Dr. Abhijitsinh Parmar delivered an expert talk titled "Navigating the Intersection: Industrial Design and Intellectual Property Rights." The insightful session, held from 2:00 PM to 3:30 PM, delved into the critical intersection of industrial design and intellectual property rights, providing participants with a comprehensive understanding of the legal and practical aspects of protecting design innovations.

Prof. Parmar, an esteemed expert in the field, shared his extensive knowledge and practical experiences, highlighting key strategies for effectively safeguarding intellectual property in the realm of industrial design. The session was well-received, fostering an engaging and interactive discussion among attendees. Several participants were recognized with certificates for their previous patent applications, celebrating their innovative contributions and dedication to advancing design and intellectual property practices. The event not only enriched the participants' knowledge but also inspired further innovation and diligence in protecting intellectual property rights.

EXPLORING IMMIGRATION OPTIONS

The Indian American Chamber of Commerce hosted an event featuring a presentation by NPZ Law Group and CMB Swiss Co-USA. The event focused on U.S. immigration law options for businesses and investors, and was designed for a diverse group of students opting to explore business and investment opportunities abroad.

TRANSFORMING STUDENTS INTO **INDUSTRY ELITES**

Silver Oak University's Training and Placement Cell has been instrumental in providing students with a comprehensive placement program that not only offers job opportunities but also valuable summer internship experiences. The cell's meticulous approach includes a diverse range of sessions designed to train students and prepare them for the demands of the industry.

To ensure students are well-equipped for the competitive job market, the cell organizes workshops, recruitment meets, campus recruitment training programs, and other initiatives to elevate their skills and knowledge. For the batches of 2023 and 2024, over 50 renowned companies were invited to participate in the final year placement drive, including notable names like Marico Limited, Deloitte India, Amneal Pharmaceuticals Private Limited, Cadila Pharmaceutical Ltd, Symphony Limited, Asian Paints, Tech Mahindra, Befree, Usha Neuros Turbo Llp, Cypherox, and many others.

The results are impressive, with 10 students selected in companies like Befree, Cypherox, Symphony Limited, Tech Mahindra, and Usha Neuros Turbo LLP. The highest package of ₹4 LPA was offered to a student from Symphony Limited, while the average package stood at ₹3 LPA.

Silver Oak University's placement program is a testament to the institution's dedication to empowering students with the skills and knowledge necessary to succeed in their chosen careers

INTERNSHIPS

THE CATALYST FOR CAREER GROWTH

The Training & Placement Cell is dedicated to providing the best possible placements for students by continuously enhancing their preparation through internship programs. These programs are carefully crafted to offer a thorough and practical learning opportunity. Students get the chance to closely collaborate with industry experts, acquiring hands-on knowledge and getting a taste of real-world challenges.

The duration for this internship program is three months, allowing students to gain practical knowledge in their fields of interest. To date, more than 30 distinguished companies have participated in hiring interns, including Adani, Liberty Career Academy, Stanza Living, Motilal Oswal, Raza Paper Mart, and many more. We are delighted to inform, that Liberty Career Academy has offered the highest stipend of ₹15,000. More than 22 students have been selected till date. Several mock drives were organized for all the companies, aiming to help students practice and get ready for actual placements.
