EXAMINATION SYSTEM

1. EXAMINATION SYSTEM – A PREAMBLE

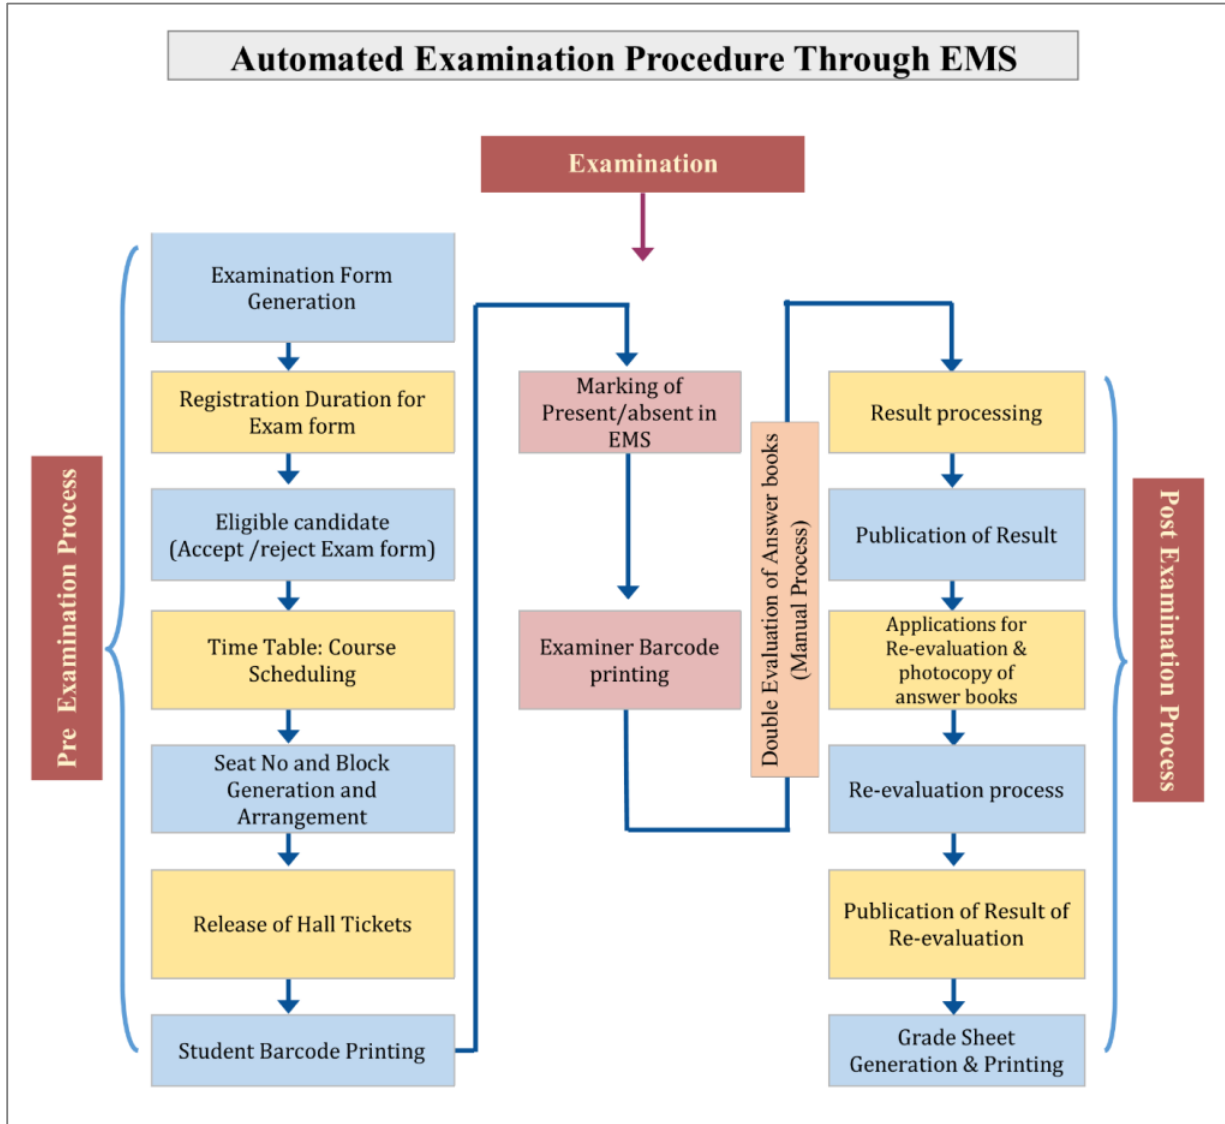

The University prioritizes on-time evaluation and quality assessments as essential components of its teaching and learning processes. It consistently updates its examination procedures and has implemented a transparent and effective internal assessment system to enhance the examination process. To ensure efficiency and credibility, the examination system has been digitalized and automated through the University's EMS (Examination Management System).

Integrating examination management system in to ERP has transformed traditional paper-based processes into a paperless process, leading to significant improvements in accuracy, efficiency, security, and environmental impact. Technological implementation in day-to-day work has a positive impact on the examination management system.

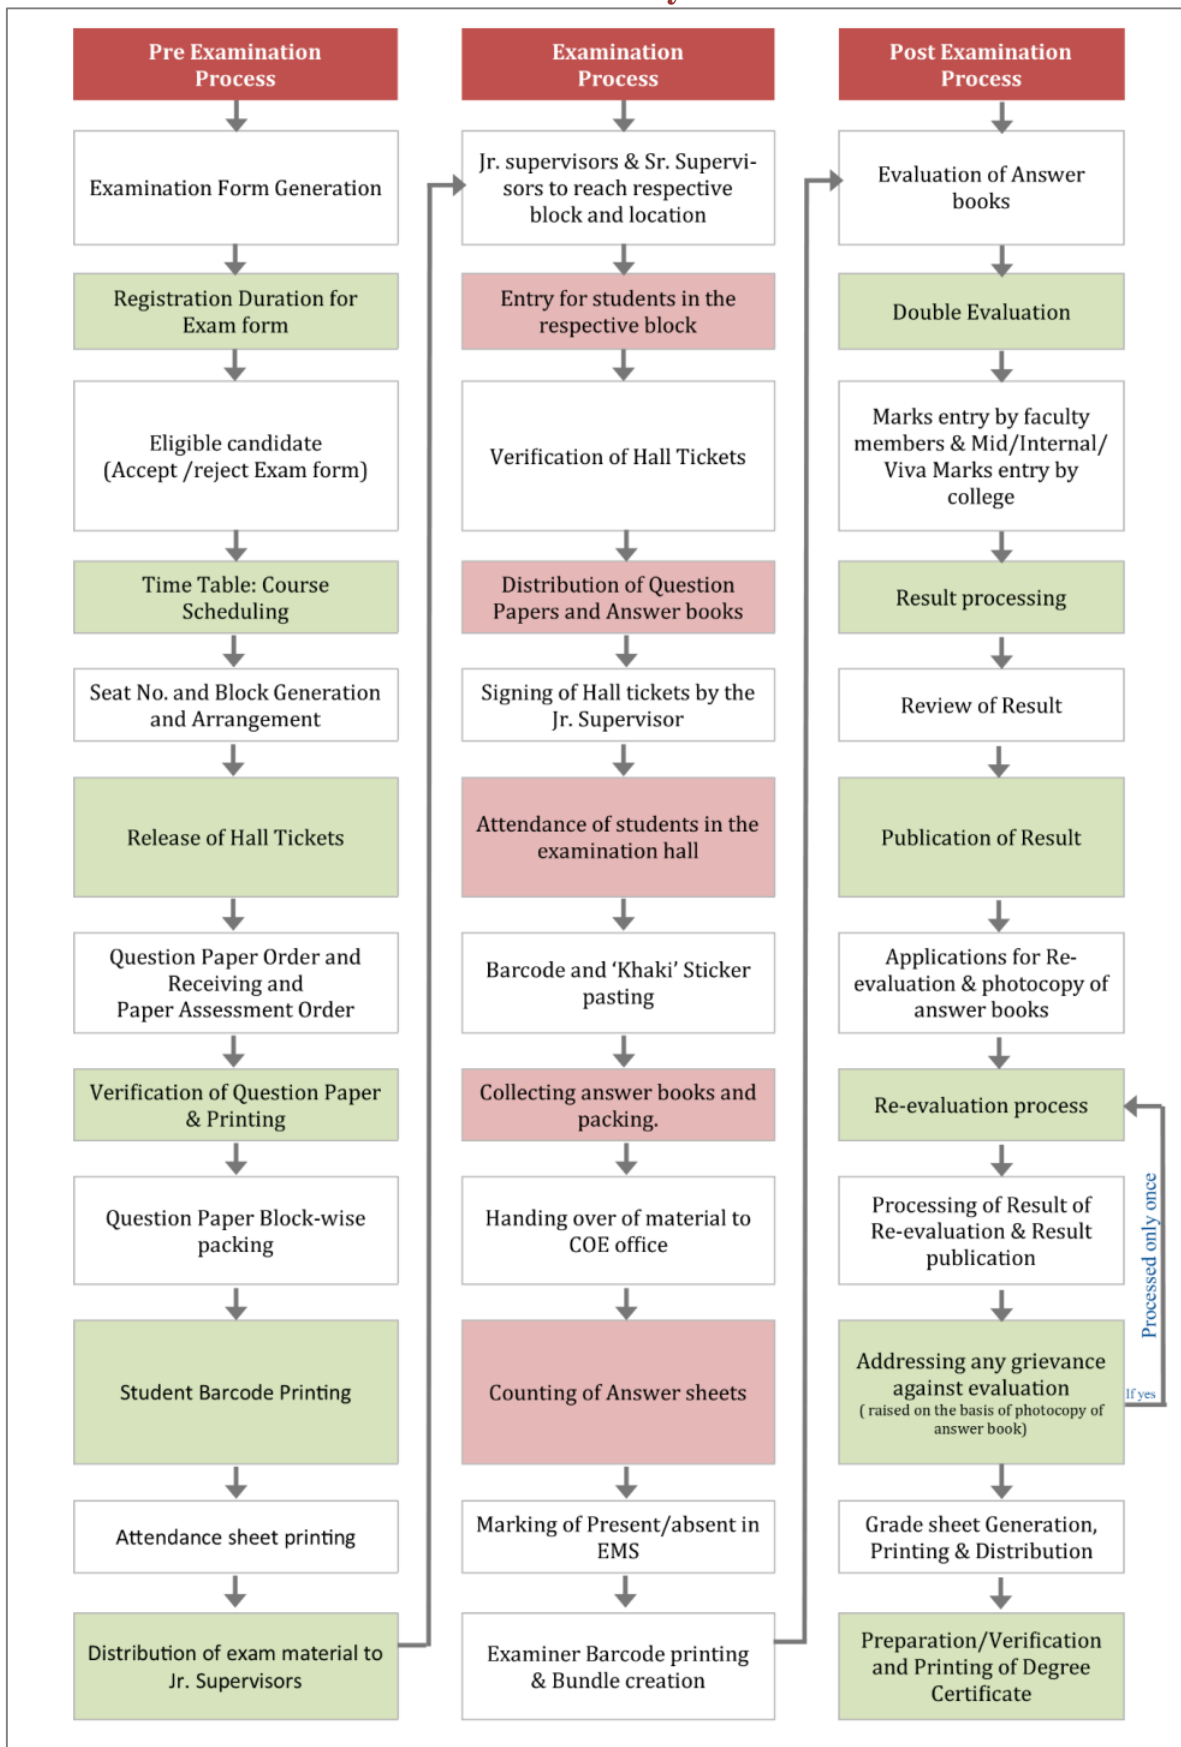

The University is committed to implementing all the rules and regulations decided by the regulatory bodies like UGC/AICTE/PCI/NCI, etc.

This examination manual aims to provide an overview of the entire examination process and various rules to every stakeholder.

COMPLETE AUTOMATION OF EXAMINATION MANAGEMENT SYSTEM (EMS) MODULE

Examination System

1.1 Pre - Examination Process

- **Examination Forms Generation**

The examination forms are generated through the Examination Management System(EMS).
- **Registration Duration for Exam form**

The duration to decide eligibility of student by Institute and examination forms to be fill by student is configured.
- **Eligible candidate (Accept /reject Exam form)**

Every head of the institution has the right to accept or reject the examination form of each student within the given duration. After this phase, students can fill the examination forms i.e. student can register for the examination.
- **Time Table: Course Scheduling**

This is the stage when time table is configured in the Examination Management System for the various programs.
- **Seat No. and Block Generation and arrangement**

Based on the data of filled examination forms, seat numbers and block arrangements are generated through Examination Management System.
- **Release of Hall Tickets**

The Hall tickets for all the students who have filled exam form for the examination are generated by the Examination Management System.
- **Question Paper Order and Receiving and Paper Assessment Order**

According to the timetable, the exam department sent the order for the question paper to the concerned faculty member. The faculty member is submitting the paper within the deadline to the exam department. The Exam Department sends paper assessment orders to faculty members from various courses, and they are required to complete them by the deadline.
- **Verification of Question Paper & Printing**

Once the exam department receives the question paper, it is verified and then sent for printing.
- **Question Paper Block wise packing**

After the question paper is printed, it is packed according to the block arrangement.
- **Student Barcode Printing**

For all the students, individual course wise barcodes are printed and these barcode are used to hide identity of the student and to track the answer books.
- **Attendance sheet printing**

Block wise attendance sheets are printed to take attendance of the student during examination.
- **Distribution of exam material to Jr. Supervisors**

Examination material is handed over to Jr. Supervisors on the day of exam.

1.2 Examination Process

- **Jr. supervisor & Sr. Supervisor to reach respective block and location**

Staff members performing junior and senior supervisor duties must go to the examination cell, after collecting necessary exam materials, and proceed to the assigned block and location before the start of the examination.
- **Entry for a student in the respective block**

Students are allowed to enter the examination hall or block. Students take seats before the start of exam.
- **Verification of Hall Tickets**

Jr. supervisors check individual students' hall tickets and then allow them for the examinations.
- **Distribution of Question Papers and Answer books**

Answer books are distributed to the students in the examination hall so that they can fill details before the commencement of exam. Question papers are distributed just before the start of examination.
- **Signing of Hall tickets by the Jr. Supervisor**

Jr. Supervisor has to sign the hall tickets and answer sheets during the exam.
- **Attendance of students in the examination hall**

Once the exam starts, the junior supervisor takes the attendance of students by taking signature on attendance sheet and fill absent-present count in the sheet.
- **Barcode and 'Khaki' Sticker pasting**

After an hour, the junior supervisor pastes the barcode and a Khaki sticker on the answer sheets of the present students to hide the information of the student.
- **Collecting answer books and packing**

Once the examination is finished, the junior supervisor collects the answer books and pack them in green covers.
- **Handing over of material to the COE office**

Once the exam is over, the Jr. Supervisor will submit the examination material to a collection center/location designated by the Controller of Examination.
- **Counting of Answer sheets**

Counting of answer books by Sr. Supervisor and exam team in presence of Jr. Supervisor.
- **Marking of Present/absent in EMS**

After each session, the exam team will mark each student as present or absent in the Examination Management System.
- **Examiner Barcode printing & Bundle creation**

After marking present and absent, the exam team will print course-wise examiner lot barcodes and arrange all the answer books in bunches of 30 so that it can be allocated to examiners for evaluation. These bunches will be placed at specific locations in the racks.

1.3 Post-Examination Process

- **Evaluation of Answer books**

After completion of examination, faculty members start evaluating answer books.
- **Double Evaluation**

Double evaluation process is followed as per rules.
- **Marks entry by faculty members & Mid/Internal/Viva Marks entry by college**

Once assessment is completed, assessor need to enter the marks after scanning barcodes in the EMS. At the same time, designated faculty from colleges will enter marks of mid-semester, continuous internal assessment and viva in the EMS.
- **Result processing**

After completion of all marks entry, system-driven result process is initiated.
- **Review of Result**

Results are verified by the core team before publish.
- **Publication of Result**

Results are published and made available for viewing by all the students in their student portal login.
- **Applications for Re-evaluation & Photocopy of answer books**

Students can apply for the reevaluation of answer books directly from the student portal by paying the required fees. A student can also apply to obtain photocopy by an application along with required fees within 3 working days of result declaration.
- **Re-evaluation process**

As per the prescribed rules in the examination policy, the reevaluation process is carried out.
- **Processing of Result of Re-evaluation & Result publication**

Once all answer books are re-evaluated and marks entry is done, the result is processed and published.
- **Addressing any grievance against evaluation (raised on the basis of photocopy of answer book)**

If there any grievance against the evaluation raised based on the photocopy of answer book, then such applications are addressed on case to case basis.
- **Grade sheet Generation, Printing & Distribution**

System-generated grade sheets are generated and sent for printing. After printing, grade sheets are distributed to the student.
- **Preparation/Verification and Printing of Degree Certificate**

Data of Degree certificates is prepared of those Students who become eligible for the degree/diploma certificate and after due verification these certificates are printed.

2. REGULATIONS PART – I: RULES & REGULATIONS FOR EXAMINATIONS, RESULTS AND AWARDS IN GENERAL

 - v. Controller of examination or Officer from Examination Department to act as Member secretary in absence of CoE
 - vi. If required, Chair Person can invite any person considering the purpose of the meeting.
- b. The committee shall review all the evidences, clarification given by candidates and take appropriate decision in the cases of UFM registered during examination, assessment or any act which can be considered to be unfair mean by the University.

R5 Teaching and Evaluation Scheme in General

1. The Teaching and Evaluation Scheme of any Diploma/Under Graduate/Post Graduate Programme shall be as per the curriculum of given courses and as per the revisions and modifications made by the University, from time to time.
2. The programmes/courses regulated by any council/body/board/state or central government body will be govern by rules and regulations specified by such council/body/board/state or central government body. Hence, for any Provisions of this policy which contradicts with rules specified by such regulatory authority, then in such case rules of governing body/council shall be considered as final and shall be followed accordingly.
3. Double evaluation shall be followed for the students who are failing by 10% of passing marks, if any gracing policy is not followed.
4. *Double evaluation* shall be followed for the students who are scoring more than 90% of the total Marks of end semester theory component of that course.
 - If there is variation of 10% or more marks, then 3rd assessment shall be done and best marks of 2nd and 3rd assessment shall be awarded to the student.
 - If there is variation of less than 10% of marks after 2nd evaluation, then best marks out of 1st and 2nd shall be considered and awarded to the student.

1. Course and Heads of Passing

A Course may have any one or both of the following heads of passing, as may be prescribed in the teaching and evaluation scheme of the curriculum:

1. Theory
2. Practical

Theory and Practical heads may further be separated as End Semester Examination (ESE) and Continuous Internal Evaluation (CIE). Each head may have separate marks and it may be further divided in to component depending upon the nature of the course.

However, for course, failure in any one of the head or component shall be treated as failure in that respective course.

The maximum marks and minimum passing marks for each passing head of a course shall be given in the Teaching and Evaluation Scheme of a course. A general structure for understanding is given below.

Depending upon the requirement and necessary, it can be modified/alterd for courses of any programme.

course Name	Teaching Scheme				Evaluation Scheme				Total Marks
	Lecture/ Week (L)	Tutorial/ Week (T)	Practical/ Week (P)	Total Credits (C)	Continuous Internal Evaluation		External Evaluation		
					CIE (TH)	CIE (PR)	ESE (TH)	ESE (PR)	
Set 1 (TH+PR)	3	0	2	4	40	20	60	30	150
Set 2 (TH)	4	0	0	4	40	00	60	00	100
Set 3 (PR)	0	1	4	3	0	40	0	60	100

Lecture/Week (L): It is a part of the academic curriculum and the time table will have the same number of slots for the particular course. It will be a conventional mode to teaching learning process which will be executed in the classroom with per class intake.

Tutorial/Week (T): An academic curriculum for Tutorial will be executed in the tutorial room. Such sessions will be conducted for teaching learning processes in a batch wise way to impart better understanding of concepts for better learning outcomes.

Practical/Week (P): For enhancement of practical skills into the students Two hours of practical sessions will be conducted into a particular laboratory to make them industry ready. All experimental setups will help into better learning outcomes.

2. Total Credits

Total Credits (C)= No. of Lecture Hours per Week + No. of Tutorial Hours per Week+ No. of Practical Hours per Week/2

3. Evaluation Scheme for all programmes

(as per 1st amendment)

1. Marks distribution for Theory course:

Course Type	Continuous Internal Evaluation			End Semester Evaluation		Total Marks
	CIE (TH) = 40 marks			ESE (TH) = 60 marks		
Theory	MSE	Assignments	Regularity	Written Exam		100
	25	10	05	60		

2. Marks distribution for Practical course:

Course Type	Continuous Internal Evaluation			End Semester Evaluation		Total Marks
	CIE (PR)=40 marks			ESE (PR) = 60 marks		
Practical	PR-1	PR-2	LW submission	Practical Exam & Viva Voce		100
	10	10	20	60		

3. Marks distribution for course having Theory & Practical heads:

Course Type	Continuous Internal Evaluation						End Semester Evaluation		Total Marks
	CIE (TH) = 40 marks			CIE (PR) = 20 marks			ESE (TH)	ESE (PR)	
Theory + Practical	MSE	Assignments	Regularity	PR-1	PR-2	LW submission	Written Exam	Practical Exam & Viva Voce	150
	25	10	05	05	05	10	60	30	

a. **Continuous Internal Evaluation of theory (CIE-TH):**

It is an Evaluation method for unbiased assessment of the students so as to achieve outcome-based education. It is a combination of Mid Semester Evaluation (MSE), Assignments and regularity in participation of learning events throughout the semester. However, for any kind of calculation related to attainment of CO/PO, the sub-component of Assignment and Regularity shall not be considered.

o **Mid Semester Examination/Evaluation (MSE):**

- This written examination will be conducted in the 13th or 14th Week from the commencement of the semester comprising 70 % syllabus of the course and shall be of 50 marks or as specified in evaluation scheme. If otherwise specified, the exam shall be of 90 minutes (1.5 hrs.) duration and obtained marks to be converted to the pro rata of marks prescribed in evaluation scheme for MSE component of CIE-TH. For example, marks to be converted to the ratio of 25 marks if the exam is taken of 50 marks for the course having 25 marks component in evaluation scheme.
- The Question paper of MSE shall be designed as per the format prescribed by the University. All the eligible candidates will be allowed to appear in the Mid Semester Exam.
- This is a sub component of CIE and for the same examination shall be conducted by Institute and it will be the responsibility of the institute to conduct the MSE either through institute level exam cell or central exam team dedicated for conduction of Mid examination.
- There are no individual passing criteria for this sub part of the Continuous Internal Evaluation (CIE) and it will have the weightage of 25 marks (out of 40 marks) for CIE-TH. However, it may differ depending up on the structure of the course.

- **Assignments:** Course Teacher shall allocate assignments to students and marks according to evaluation scheme shall be awarded. It may be based on tutorials / seminars / field visits / quizzes / assignments / etc. conducted weekly/fortnightly. There is no individual passing criterion of this sub-component.
- **Regularity (Reg.):** On basis of attendance or regularity of the student in participation of learning events (Lecture/Laboratory) throughout the semester. There is no individual pass criterion of this sub component. Marks will be assigned to the students based on criteria given in below table:

Attendance in Percentage (%)	Obtained Marks
Overall Course Attendance Between 90.01 % to 100.00 %	05 Marks
Overall Course Attendance Between 85.01 % to 90.00 %	04 Marks
Overall Course Attendance Between 80.01 % to 85.00 %	03 Marks
Overall Course Attendance Between 70.01 % to 80.00 %	02 Marks
Overall Course Attendance Between 60.00 % to 70.00 %	01 Mark
Overall Course Attendance Below 60.00 %	00 Mark

- **Passing Marks for CIE-TH**
 - Minimum passing marks for CIE-TH is 40% of maximum marks for UG and 50% of maximum marks for PG programmes. The result of CIE-TH shall be declared at the end of the 15th week of Semester as per academic calendar. If a candidate fails to score the minimum passing marks, a remedial internal improvement exam would be conducted in the same semester. If not feasible to conduct such exam due to any reason, than Internal components can also be improved by completing extra work assigned by HOD & concerned faculty before term end.
 - Internal Examination of repeater students shall be of 40 marks and he / she will have to score 40% marks for UG & 50% marks for PG courses to pass the CIE component.
 - The student will be entitled for maximum up to passing marks in the CIE-TH component if he/she passes the CIE-TH in remedial exam and appearing for the end semester exam as a regular student.
 - If the student, is not able to clear CIE-TH in the same semester, then he/she will have to improve his/her performance by appearing in the exam in subsequent semesters until he / she pass the CIE-TH component.
 - A ceiling of minimum passing marks will not be applicable to repeater students with the reason that he/she will be issued more than one grade sheets and his/her multiple attempts are being counted to clear the semester.

b. **End Semester Examination/Evaluation of theory (ESE-TH):**

- End Semester Exam shall commence after end of term and as per academic calendar for the 60 marks or as specified in evaluation

scheme. If otherwise specified, each exam shall be of 120 Minutes (2:00hrs.) duration with a minimum pass marks criterion of 40% for courses of UG programme and 50% for courses of PG Programme. For Example, considering 60 marks of ESE component, minimum 24 marks out of 60 for UG courses and 30 out of 60 marks for PG courses are required to pass the ESE component.

- If a student fails to get minimum passing marks i.e. 40% in UG and 50% in PG of ESE, then student shall appear in the subsequent semesters for repeater exam (remedial ESE) till it is passed. Once the student appears in the Remedial Exam, he/she will be considered as a repeater student. Actual marks shall be awarded to repeater student with reason that he will be issued more than one grade sheets and his/her multiple attempts will be counted to clear the semester

c. **Continuous Internal Evaluation of Practical (CIE-PR):** It is a combination of two periodical reviews of practical work through formative assessment and regularity in laboratory work as mentioned below:

- **Marks distribution for CIE-PR for the type of course having practical heads along with theory heads.**

Below allocation of marks is given based on 20 marks of CIE-PR component for understanding purpose and shall be applied on pro rata basis or as specified by BoS or Academic council for other courses having different marks of CIE-PR.

- i. Periodic Review-1: 5 marks
- ii. Periodic Review-2: 5 Marks
- iii. Regularity in Lab Work & final Submission of Laboratory Work/Journal/Project-Internship Report/viva: 10 Marks

Periodic Review exams must be conducted during the semester as per departmental academic calendar of the laboratory sessions. The students who fail to obtain passing marks will have to appear in a repeater students' exam of CIE (PR) component in the subsequent semesters until he/she pass it. If a student is appearing for the remedial exam of that semester, then actual marks scored shall be awarded to repeater students with reason that he will be issued more than one grade sheets and his/her multiple attempts will be counted to clear the semester.

- **Marks distribution for CIE-PR for the type of courses having only practical heads.**

Below allocation of marks is given based on 40 marks of CIE-PR component for understanding purpose and shall be applied on pro rata basis or as specified by BoS or Academic council for other courses having different marks of CIE-PR.

- i. Periodic Review-1: 10 marks

- ii. Periodic Review-2: 10 Marks
- iii. Regularity in Lab Work & final Submission of Laboratory Work/Journal/Project-Internship Report/viva: 20 Marks

Periodic Review exams conducted during the semester as per departmental academic calendar of the laboratory sessions. The students who fail to obtain passing marks will have to appear in a repeater students' exam of CIE (PR) component in the subsequent semesters until he/she pass it. If a student is appearing for the remedial exam of that semester, then actual marks scored shall be awarded to repeater students with reason that he will be issued more than one grade sheets and his/her multiple attempts will be counted to clear the semester.

- d. **End Semester Examination/Evaluation of Practical (ESE-PR):** The exam schedule of ESE(PR) shall be conducted as per the University Academic Calendar.

- **Marks distribution for ESE-PR for the type of course having practical heads along with theory heads.**

Below allocation of marks is given based on 30 marks of ESE-PR component for understanding purpose and shall be applied on pro rata basis or as specified by BoS or Academic council for other courses having different marks of ESE-PR.

- i. Practical Examination/Final project Review - 15 marks
- ii. Viva Voce - 10 marks
- iii. Certified Lab Work/Journal record/Project or Internship Report - 5 marks

- **Marks distribution for ESE-PR for the type of courses having only practical heads:**

Below allocation of marks is given based on 60 marks of ESE-PR component for understanding purpose and shall be applied on pro rata basis or as specified by BoS or Academic council for other courses having different marks of ESE-PR.

- i. Practical Examination / Final project Review - 30 marks
- ii. Viva Voce - 20 marks
- iii. Certified Lab Work/Journal record / Project or Internship Report - 10 marks

The students who fail to obtain Passing marks will have to appear in a repeater students' exam of ESE (PR) component in the subsequent semesters until he/she pass it. Once the student appears in the Remedial Exam will be considered as a Repeater Student and actual marks will be awarded to such student with reason that he will be issued more than one grade sheets and his/her multiple attempts will be counted to clear the semester. For semester which are part of first half of the programme duration, for them internal faculty can take examination of ESE-PR and

for remaining i.e. second half of the programme, it is desirable that assessment of ESE-PR exam is done by external faculty

Note: The minimum/maximum marks given above are for general understand and shall be considered only as an example. This may vary depending upon the nature of course and weightage given to each component in the teaching and evaluation scheme of that course.

4. Intermediate Theory Examination:

University may conduct additional theory examination before the Mid semester examination and after completion of 8 week of teaching only for the student of 1st semester/year with the objective to familiarise new students with University Examination environment and to bring in the flow of teaching and learning process of the University. It shall be arranged, if and only if feasible and convenient, without affecting the academic schedule of the semester/year. This will be an additional arrangement which will provide a learning experience to the student and will be like practice session of mid semester examination. The performance of this exam will not be counted anywhere in teaching and learning process or attainment of CO/PO. It will have no weightage in the evaluation schemes of any course of any programme. This exam can be arranged either by institute or by University's central exam cell. Being additional arrangement and not being part of regular academic calendar/schedule, the information about schedule and arrangement of such exam shall be informed to the student by Institute.

5. Programme level and Passing Standard

- a) Diploma/Undergraduate Programmes/Certificate programmes –
For all courses of such programmes, 40% passing standard for each head/component and for overall programme shall be followed.
- b) Postgraduate Programmes –
For all courses of such programmes, 50% passing standard for each head/component and for overall programme shall be followed.
- c) For any type of programme which can be categorized as integrated programme will have to follow below guidelines.
 - a. If otherwise specified, first three years of such programme shall be considered as UG part and remaining part as PG part.
 - b. For UG part - 40% passing standard for each head/component and for overall programme shall be followed.
 - c. For PG part - 50% passing standard for each head/component and for overall programme shall be followed.
 - d. Marks distribution and Evaluation scheme:
If, uniform teaching and evaluation schemes is not followed for UG/PG programmes by University, then in such case below rules shall be followed.

- For UG level part of Integrated programmes, marks distribution and evaluation scheme to be followed as specified for courses of UG programme.
- For PG level part of Integrated programmes, marks distribution and evaluation scheme to be followed as specified for courses of PG programme.

Else, uniform teaching and evaluation scheme decided by the University shall be followed.

Above point a), b) and c) will not be applicable for the programmers regulated by any council/body/board/state or central government body and special norms have been specified for this purpose by such regularity body.

Above point a), b) and c) will not be applicable for the programmers for which Academic Council has approved special norms related to passing criteria.

6. Post Graduate Diploma programme & Certificate programme

- a) Any Diploma programme offered for which minimum educational qualification required is graduation and such programme is not leading to or equivalent to master degree, then for such programmes passing standard will be 40% or as decided by any regulatory body like State Govt./ Central Govt./ UGC/AICTE/PCI etc. For courses of such programmes, marks distribution and evaluation scheme to be followed as specified for courses of UG programmes.
- b) Any Diploma programme offered for which minimum educational qualification required is graduation and is considered equivalent to master degree, then for such programmes passing standard will be 50% or as decided by any regulatory body like State Govt./ Central Govt./ UGC/AICTE/PCI etc. For courses of such programmes, marks distribution and evaluation scheme to be followed as specified for courses of PG programmes.
- c) Any certification programme offered by University will follow norms specified for Under Graduate/Diploma programme including passing standard and evaluations schemes for each courses.

7. Ph.D. Programme

Provisions related to examinations and review of Ph.D. Programme are as below. Above provisions/rules are liable to change as per the changes in the Ph.D. Regulations of the University

a) Passing Standard

- Passing standard for each course of Ph.D. Programme will be 55%.
- Student will have to secure 55% marks in each component of the course to be declared as Pass in order to be eligible to continue in the program and submit the thesis.

b) Course Work

- The course work should be completed within a span of two years from the date of generation of enrollment number
- Candidates who have already completed the course work in M.Phil. will be exempted by the university from Ph.D. Course work of Research Methodology.
- Such exemption will be granted on the basis of documentary evidence stating to have successfully cleared/passed Research Methodology course during M.Phil. degree.

c) Research Review

- Each candidate, after completion of the prescribed course work, shall be required to take a Research Review. The Review will be an oral examination. The candidate will have to give a presentation about his/her research plan before members of Doctoral Progress Committee (DPC). Passing of the Research Review is subject to approval of the research plan by DPC.
- Unsuccessful candidates shall be allowed a second opportunity to clear the First Review. If a candidate is unsuccessful again, his Ph.D. registration may be cancelled.
- Scholar will have to clear Research Reviews within the maximum duration as per university norms and such duration shall be counted from first DPC of the scholar. However, in a few cases and on the reasonable grounds, may give an extension of six months on recommendation of Doctoral Research Committee (DRC)

d) Duration to complete the Programme

- Full-time research scholars are required to complete their Ph.D. within a minimum of 3 years (6- DPC Review) and a maximum of 6 years. For part-time research scholars, the minimum duration is 4 years (8-DPC Review), with a maximum time limit of 8 years to complete their research program.

e) Open Seminar

- After the successful completion of prescribed number of DPC Review, candidate has to appear for open-seminar in front of the panel nominated by the Honourable provost.

f) Final Viva-Voce

- After the successful completion of open-seminar the candidate is allowed to submit synopsis and thesis subsequently followed by final viva voce

8. Detention Policy

Student shall be promoted to higher semester for any Programmes subject to all previous terms are granted. Students shall be promoted to higher semester irrespective of previous backlogs.

Teaching and Evaluation Scheme (As per NEP Guidelines)

(Ref. Amendment III)

In line with the Standard Operating Procedure for Implementation of National Education Policy-2020 for the State of Gujarat issued by Education Department of Govt. of Gujarat, changes in the existing examination policy of SOU are incorporated.

These changes in the Teaching and Evaluation scheme will be applicable from the academic year 2024-2025 for the students enrolled from Academic Year 2024-2025 and onwards. The evaluation scheme has been modified and kept 50% Weightage for Internal Assessment & 50% Weightage for End Semester Exams.

The maximum marks and minimum passing marks for each passing head of a course shall be given in the Teaching and Evaluation Scheme of a course. An exemplary general structure for understanding is given below. Depending upon the requirement and necessary, it can be modified/alterd for courses of any programme. The bifurcation of Marks weightage to be derived is explained as follows for all the courses.

Course Type	Teaching Scheme				Evaluation Scheme				Total Marks
	Lecture/ Week (L)	Tutorial/ Week (T)	Practical/ Week (P)	Total Credits (C)	Continuous Internal Evaluation		External Evaluation		
					CIE (TH)	CIE (PR)	ESE (TH)	ESE (PR)	
Set 1 (TH)	4	0	0	4	50	00	50	00	100
Set 2 (PR)	0	1	4	3	0	50	0	50	100
Set 3 (TH+PR)	3	0	2	4	50	25	50	25	150
Set -4 (TH+PR)	2	0	4	4	25	50	25	50	150

1. Evaluation Category:

The evaluation will have two broader categories as mentioned below

a) Continuous and Comprehensive Evaluation (CCE)- Formative

CCE can also be called as Continuous Internal Evaluation. It is an Evaluation method for unbiased assessment of the students so as to achieve outcome-based education. It is a combination of Mid Semester Evaluation (MSE), Assignments, Intermediate assessment and regularity in participation of learning events throughout the semester. However, for any kind of calculation related to attainment of CO/PO, the sub-component of Assignment and Regularity shall not be considered.

b) Semester End Evaluation (SEE)- Summative

SEE can also be called as End Semester Evaluation/End Semester Examination. It is the end semester evaluation to be conducted after term end either in theory or practical mode.

2. Passing Standard & Conversion

The passing standard of 40% of UG/Diploma/Certificate level course shall be followed and 50% for PG/PG diploma equivalent to PG shall be followed. For more clarity, norms specified in SOU exam policy shall be followed.

At any point of time while deriving passing marks, any decimal value shall be rounded to nearest and higher integer. For example, 12.5 to be considered as 13, 37.5 to be considered as 38.

3. Evaluation Scheme for all programmes

For the purpose of explanation in detail, above type of courses are again bifurcated with different components.

Set 1 - Only Theory type course:

Course Type	Continuous Internal Evaluation				End Semester Evaluation	Total Marks
	CIE (TH) = 50 marks				ESE (TH) = 50 marks	
Theory Set 1 (TH)	MSE	Intermediate Assessment	Formative Assessment	Regularity	Written Exam	100
	25	10	10	05		

Set – 2 - Only Practical type course:

Course Type	Continuous Internal Evaluation			End Semester Evaluation	Total Marks
	CIE (PR)=50 marks			ESE (PR) = 50 marks	
Practical Set 2 (PR)	PR-1	PR-2	LW submissions	Practical Exam & Viva Voce	100
	20	20	10		

Set – 3 - Theory + Practical (Theory 100 + Practical 50 Marks) type course:

Course Type	Continuous Internal Evaluation						End Semester Evaluation		Total Marks	
	CIE (TH) = 50 marks				CIE (PR) = 25 marks		ESE (TH) = 50 marks	ESE (PR) = 25 marks		
Set 3 (TH+PR)	MSE	Intermediate Assessment	Formative Assessment	Regularity	PR-1	PR-2	LW submissions	Written Exam	Practical Exam & Viva Voce	150
	25	10	10	05	06	06	13			

Set –4- Theory + Practical (Theory 50 marks + Practical 100 marks) type Course:

Course Type	Continuous Internal Evaluation							End Semester Evaluation		Total Marks	
	CIE (TH) = 25 marks				CIE (PR) = 50 marks			ESE (TH) = 25 marks	ESE (PR) = 50 marks		
Set 3 (TH+PR)	MSE	Intermediate Assessment	Formative Assessment	Regularity	PR-1	PR-2	PR-3	LW submissions	Written Exam	Practical Exam & Viva Voce	150
	10	05	05	05	10	15	15	10			

a) Continuous Internal Evaluation - Theory (CIE-TH)

Continuous evaluation of theory head to be done as per below components.

- **MSE - Mid Semester Examination/Evaluation (MSE)**

50 Marks test shall be conducted. The test may be of 90 Minutes Duration. This may be conducted as per academic Calendar of the University. Marks shall be deduced to 25 or 10 or as per weightage of the MSE component of the course. It is essential to pass MSE component individually by the student. Student not able to

score passing marks in MSE i.e. 40% of MSE component for UG and 50% of MSE component for PG will be considered as unsuccessful in CIE and will have to appear for remedial mid semester exam. Marks scored in MSE shall be scale down to 25 or as per weightage of the MSE component. Student appearing for remedial exam of MSE component will be awarded only passing marks in MSE component.

○ **Intermediate Assessment**

It can be of 30 Marks Test having 10 Marks of Objective Type questions (to assess the competency level) and 20 Marks of descriptive type questions. However, University may change this pattern as and when required. This may be conducted after eight week or forty to forty-five days of commencement of semester during regular Class room teaching or by using ICT Tools at the institute level having duration of 1 Hour or it can also be conducted by central exam team. Marks may be deduced out of 10 or depending up on the weightage of the component. If required, University may arrange 15 marks test if the weightage of the Intermediate assessment is 05 marks and it can be deduced to the ratio of weightage of the component.

○ **Formative Assessment**

It can be in the form of Assignments/Class Tests / Quiz / Presentations / tutorials / seminar/ work place based assessment/ on job training etc. and 4 such assessment of 10 marks each to be conducted in case of weightage of Formative Assessment is of 10 marks OR 2 such assessment of 5 marks each in case of weightage of Formative Assessment is of 5 marks. Average may be taken out to derive marks out of 10 or 5 as per the weightage of the component. This can be conducted weekly/fortnightly but may be completed before the end semester examinations.

○ **Regularity**

On basis of attendance or regularity of the student in participation of learning events (Lecture/Laboratory) throughout the semester evaluation shall be done. Marks to be awarded out of 5 with reference to attendance percentage as per SOU policy.

○ **Passing Marks for CIE-TH**

To pass CIE-TH, a student shall score minimum 40% in UG and 50% in PG programmes for every course. Except MSE, it is not necessary to pass in individual sub components like Intermediate Assessment/Formative assessment/Regularity but it is compulsory to pass CIE-TH as a whole. However, it is essential to pass in MSE component individually.

Repeater students shall be awarded passing marks in MSE component. For Intermediate Assessment/Formative assessment/Regularity component, actual marks earned by the student shall be awarded.

If the student, is not able to clear CIE-TH in the same semester, then he/she will have to improve his/her performance by appearing in the exam in subsequent semesters until he / she pass the CIE-TH component. A ceiling of minimum passing marks will be applicable to repeater students for MSE component.

b) End Semester Examination/Evaluation-Theory (ESE-TH)

Test of 50 Marks to be conducted for duration of 2 Hours. Marks to be deducted out 50 or 25 as per the weightage of ESE component. This is end semester (external) component and must be plan and conducted through CoE.

If a student fails to get minimum passing marks i.e. 40% in UG and 50% in PG of ESE, then student shall appear in the subsequent semesters for repeater exam (remedial ESE) till it is passed. Once the student appears in the Remedial Exam, he/she will be considered as a repeater student. Actual marks shall be awarded to repeater student with reason that he will be issued more than one grade sheets and his/her multiple attempts will be counted to clear the semester

c) Continuous Internal Evaluation-Practical (CIE-PR)

Periodic Review(s) exams must be conducted on a continuous basis during the semester as per departmental academic calendar of the laboratory sessions. Regularity in Lab Work & final Submission of Laboratory Work/Journal/ work place based assessment/ on job training / Project-Internship Report/viva shall also be considered for marks of LW submission. In case of viva voce, focus may be given to competency based assessment. For example, if a practical exam of 10 marks is being conducted, then faculty can ask 5 questions of 2 marks each. Such question shall intent to test the competency level of the student. However, the weightage of marks of PR-1, PR-2, PR-3 and Lab work submission is mentioned below considering nature and weightage of the course.

Marks distribution for PR-1,PR-2,PR-3 & Lab Work Submission

Mark Distribution for CIE -PR					
Course Type	PR-1	PR-2	PR-3	LW submissions	Total Marks (CIE-PR)
Set - 1 (TH-100 & PR-0 Marks)	NA	NA	NA	NA	NA
Set - 2 (TH-0 & PR- 100 Marks)	20	20	NA	10	50
Set - 3 (TH-100 & PR-50 Marks)	6	6	NA	13	25
Set - 4 (TH-50 & PR-100 Marks)	10	15	15	10	50

The students who fail to obtain passing marks will have to appear in a repeater students' exam of CIE (PR) component in the subsequent semesters until he/she pass it. If a student is appearing for the remedial exam of that semester, then actual marks scored shall be awarded to repeater students with reason that he will be issued more than one grade sheets and his/her multiple attempts will be counted to clear the semester.

d) End Semester Examination/Evaluation-Practical (ESE-PR)

ESE-PR assessment may consist of final submission of Laboratory Work/Journal/ work place based assessment/ Presentations/ on job training / Project-Internship Report/viva etc.

For ESE-PR of 50 marks, test considering 25 Marks for Practical/ Experiment, 15 Marks for Viva Voce & 10 Marks for Journal/ Submission shall be conducted.

For ESE-PR of 25 marks, test considering 15 Marks for Practical/ Experiment, 5 Marks for Viva Voce & 5 Marks for Journal/ Submission shall be conducted.

In case of viva voce or practical, focus may be given to competency based assessment. For example, if a practical exam of 10 marks is being conducted, then faculty can ask 5 questions of 2 marks each. Such question shall intent to test the competency level of the student.

Above is for understanding purpose and shall be applied on pro rata basis or as specified by BoS or Academic council for other courses having different marks of ESE-PR.

The students who fail to obtain Passing marks will have to appear in a repeater students' exam of ESE (PR) component in the subsequent semesters until he/she pass it. Once the student appears in the Remedial Exam will be considered as a Repeater Student and actual marks will be awarded to such student with reason that he will be issued more than one grade sheets and his/her multiple attempts will be counted to clear the semester. For semester which are part of first half of the programme duration, for them internal faculty can take examination of ESE-PR and for remaining i.e. second half of the programme, it is desirable that assessment of ESE-PR exam is done by external faculty.

Note:

1. The minimum/maximum marks given above are for general understand and shall be considered only as an example. This may vary depending upon the nature of course and weightage given to each component in the teaching and evaluation scheme of that course. University may also conduct examination of any number of marks and can deduced it to the weightage given in the evaluation scheme of such course.
2. In case of any clarification which is not provided for any topic/matter above, then in such case, norms of "Teaching and Evaluation scheme in General" mentioned in Silver Oak University's examination policy or guidelines issued by Government regulatory body shall be referred. However, in case ambiguity in any matter, the decision of the Provost shall be considered final.

- b. Grade point Zero (F Grade) for a Course if the student marks are less than passing criteria. i.e. 40% for UG/Diploma and 50% for PG
- c. In such cases, students will have to improve the performance of respective Course components by appearing in the Remedial Examination.

R14 Calculation of Grade Point Average & Class conversion

1. Grade Point Average (GPA)

GPA is ratio of Total credit points and Total credits

$$(Grade Point Average) GPA = \frac{\sum(Credits \times Grade Points)}{\sum Credits}$$

Here, credits of degree awarding semesters shall be taken for calculation.

2. CGPA: Cumulative Grade Point Average:

CGPA will be Cumulative Grade Point Average and it will be calculated considering semesters mentioned as under and formula as mentioned above. CGPA will be calculated as per explain in below mentioned table to All Programmes affiliated to Silver Oak University.

Programme Duration	CPI Semesters	CGPA Semesters
1 Year / 2 Semester	All Semesters	All
2 Years / 4 Semesters	All Semesters	All
3 Years / 6 Semesters	All Semesters	Last Three Semesters
4 Years / 8 Semesters	All Semesters	Last Four Semesters
5 Years / 10 Semesters	All Semesters	Last Five Semesters

3. SPI: Semester Performance Index:

SPI stands as a Semester Grade Point Average and It is a measure of performance of work done in a semester. It is the ratio of total credit points secured by a student in various courses registered in a semester and the total course credits taken during that semester. It shall be expressed up to two decimal places

$$(Semester Performance Index) SPI = \frac{\sum(Credits \times Grade Points)}{\sum Credits}$$

Here, credits of respective semester shall be taken for calculation.

4. CPI: Cumulative Performance Index:

CPI will be the Cumulative Grade Point Average and it is a measure of overall cumulative performance of a student over all semesters. The CPI is the ratio of total credit points secured by a student in various courses in all semesters and the sum of the total credits of all courses in all the semesters. It is expressed up to two decimal places. It will be an aggregate of all the semesters completed by the student.

$$(Cumulative Performance Index) CPI = \frac{\sum(Credits \times Grade Points)}{\sum Credits}$$

Here, credits of all appeared semesters shall be taken for calculation.

5. Class conversion table based on CGPA

Class conversion Table	For UG Programmes	For PG Programmes	Integrated Programmes
First Class With Distinction	CGPA \geq 7.50	CGPA \geq 7.50	CGPA \geq 7.50
First Class	6.50 \leq CGPA \leq 7.49	6.50 \leq CGPA \leq 7.49	6.50 \leq CGPA \leq 7.49
Second Class	5.50 \leq CGPA \leq 6.49	5.50 \leq CGPA \leq 6.49	5.50 \leq CGPA \leq 6.49
Pass Class	4.50 \leq CGPA \leq 5.49	--	5.00 \leq CGPA \leq 5.49

Note: In case of integrated programme, if student is given exit after competing of UG level part, then class according to UG programmes as specified above will be applicable.

6. Conversion of cumulative performance to Percentage:

The values of cumulative performance of grade point average like CPI, CGPA can be converted to equivalent percentage based on below formula:

- Conversion from CPI/CGPA to Percentage =

$$[(\text{Obtained CPI or CGPA}) - 0.5] * 10]$$

Above formula can also be used for conversion of semester performance to percentage.

R15 Degree Conferring Norms

 - (c) The question should be worded with no ambiguity.
 - (d) There should be a reasonably wide choice of questions to be answered.
 - (e) The question paper should be such that a well-prepared student should be in a position to answer all the questions.
 - (f) Main questions and sub-questions will be marked separately.
3. The paper setters should not repeat any question(s). Repetition of entire question paper or a Section of a question paper or a set of questions shall be viewed seriously and suitable disciplinary action shall be taken.
4. The Instructions to the candidates should be given at the beginning of the question paper. These instructions should include instructions regarding the number of questions to be attempted for full credit in the paper.
5. When a paper is composed of more than one section, specific instructions should be given to that effect. Section number should be written above the question with which the respective section begins.
6. The question numbers and sub-question numbers should be suitably written on the left-hand side, while the marks assigned to them should be written on the right-hand side in round brackets.
7. If there is an alternate question to an original question, the alternate question should be given the same question number and written below the original question and word “OR” should be written between them.
8. Uniform paper style, as decided by the University, shall be strictly followed by faculty members for drawing papers of various course.

9. The numerical data required to solve problems should be given in the paper itself. Physical quantities shall be given in Standard-units only and only the standard abbreviations shall be used.
10. Sketches, figures, tables, and other details which form part of the question paper should be submitted appropriately. The sketches and figures should be drawn neatly in black/blue ink only and should be easy for reproduction. Rough pencil sketches shall be avoided.
11. The paper setter should inform to the CoE, in writing, the specific requirements such as graph papers, drawing papers, data tables, etc.
12. The numerical questions should be set by taking into account the fact that the students are allowed to use non-programmable scientific calculators.
13. Each question paper shall be submitted to the CoE in a separate sealed envelope, specially provided for the same as per the instructions specified in appointment order A receipt of the question paper shall be issued immediately on receiving the same, if submitted personally.
14. The paper setters must destroy the rough notes, manuscripts, if any, of the question paper set as soon as the final draft is submitted to the office.
15. If the question paper is submitted through digital mode or uploaded on the portal, the original copy of the file must be permanently deleted from his/her computer and no copy in whatsoever form can be maintained by him/her.
16. The paper setter shall also submit - solution for the question paper prepared by him/her.
17. The Provost reserves the right to withhold or reduce the remuneration payable to paper setters and the Provost has powers to cancel any appointment of a paper setter or take any disciplinary action for negligence of any kind on the part of the paper setters in carrying out the work entrusted to them and in accordance with the instructions issued to them.
18. The paper setter(s) have great responsibility of maintaining integrity of the examination system. Failure to do so, in particular with known intention, may attract heavy penalty.

3. Printing of Question Papers

1. The question papers shall be kept in confidential area (strong room) of the examination department under CCTV surveillance in a locked facility of storage.

2. Assessment Guidelines

Grading of Performance: Based on the performance, each student shall be awarded a final grade at the end of the semester for each course.

Absolute grading is used by converting the marks to grade, based on predetermined class intervals. UGC 10-point grading system is used as shown below:

UGC 10-point grading system`

Letter grade	Grade point	Percentage of marks
O (Outstanding)	10	85% and above
A+ (Excellent)	9	80-84.99%
A (Very Good)	8	75-79.99%
B+ (Good)	7	65-74.99%
B (Above Average)	6	60-64.99%
C (Average)	5	50-59.99%
P (Pass)	4	40-49.99%
F (Fail)	0	<50%
Absent	0	0

- For Nursing Courses and all other courses – Pass is at C Grade (5 grade point) 50% and above for English and electives – Pass is at P Grade (4 grade point) 40% and above.
- **Computation of Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA)**
- **SPGA is the weighted average of the grade points obtained in all courses by the student during the semester (All courses excluding English and electives)**
- **Ex. SGPA Computation**

Course Number	Credit/s	Letter grade	Grade point	Credit point (Credit × grade)
1	3 (C1)	A	8 (G1)	3 × 8 = 24
2	4 (C2)	B+	7 (G2)	4 × 7 = 28
3	3 (C3)	B	6 (G3)	3 × 6 = 18

$$SGPA = \frac{C1G1 + C2G2 + C3G3}{C1 + C2 + C3}$$

$$= \frac{70}{10} = 7 \text{ (rounded off to two decimal points)}$$

- **Computation of CGPA**

CGPA is calculated with SGPA of all semesters to two decimal points and is indicated in final grade in mark card/transcript showing grades of all 8 semesters and their courses/subjects.

CGPA reflects the failed status in case of fail till the course/s is passed.

Semester I	Semester 2	Semester 3	Semester 4
Cr: 20	Cr: 22	Cr: 25	Cr: 26
SGPA: 6.5	SGPA: 7.0	SGPA: 5.5	SGPA: 6.0

$$\text{CGPA} = \frac{20 \times 6.5 + 22 \times 7 + 25 \times 5.5 + 26 \times 6}{93}$$

$$= \frac{577.5}{93} = 6.2$$

3. Declaration of Pass

First Class with Distinction – CGPA of 7.5 and above

First Class – CGPA of 6.00-7.49

Second Class – CGPA of 5.00-5.99

4. Internal Assessment and Guidelines

I. Internal Assessment (Theory)

a) Continuous Assessment: 10 marks

1. Attendance – 2 marks

(95-100%: 2 marks, 90-94: 1.5 marks, 85-89: 1 mark, 80-84: 0.5 mark, <80: 0)

2. Written assignments (Two) – 10 marks

3. Seminar/micro teaching/individual presentation (Two) – 12 marks

4. Group project/work/report – 6 marks

Total = 30/3 = 10

If there is a mandatory module in that semester, marks obtained by student out of 10 can be added to 30 totalling 40 Marks

Total = 40/4 = 10 marks

b) Sessional Examinations: 15 marks

Two Sessional exams per course to be conducted.

Exam pattern:

- MCQ – 4×1 = 4 marks

- Essay – 1×10 = 10 marks

- Short – 2×5 = 10 marks

- Very Short – 3×2 = 6 marks

- 30 marks × 2 = 60/4 = 15 marks

II. Internal Assessment (Practical)

a) Continuous Assessment: 10 marks

1. Attendance – **2 marks**
(95-100%: 2 marks, 90-94: 1.5 marks, 85-89: 1 mark, 80-84: 0.5 mark, <80: 0)
2. Clinical assignments – 10 marks (Clinical presentation – 3, drug presentation & report – 2, case study report – 5)
3. Continuous evaluation of clinical performance – **10 marks**
4. End of posting OSCE – **5 marks**
5. Completion of procedures and clinical requirements – **3 marks**
Total = 30/3 = 10

b) Sessional Examinations: 15 marks

Exam pattern:

- OSCE – 10 marks (2-3 hours)
- DOP – 20 marks (4-5 hours)
- {DOP – Directly observed practical in the clinical setting}
- Total = 30/2 = 15

Note: For Adult Health Nursing I, Adult Health Nursing II, Community Health Nursing I & Community Health Nursing II, the marks can be calculated as per weightage. Double the weightage as 20 marks for continuous assessment and 30 for session exams.

III. COMPETENCY ASSESSMENT: (VIII SEMESTER)

Internal assessment

Clinical performance evaluation 10×5 specialty = 50 marks

OSCE = 10×5 specialty = 50 marks

Total = 5 specialty \times 20 marks = 100

5. External Assessment and Guidelines

I. University Theory Question Paper Pattern (For 75 marks)

1. Section A - 37 marks and Section B-38 marks

- Applied Anatomy & Applied Physiology: Applied Anatomy Section A and Applied Physiology Section B
- Applied Sociology & Applied Psychology: Applied Sociology Section A and Applied Psychology Section B
- Applied Microbiology & Infection Control including Safety: Applied Microbiology Section A and Infection Control including Safety Section B

Section A (37 marks)

MCQ $6 \times 1 = 6$

Essay $1 \times 10 = 10$

Short $3 \times 5 = 15$

Very Short $3 \times 2 = 6$

Section B (38 marks)

MCQ $7 \times 1 = 7$

Essay $1 \times 10 = 10$

Short $3 \times 5 = 15$

Very Short $3 \times 2 = 6$

2. Section A-25 marks and Section B-50 marks

Applied Biochemistry & Nutrition & Dietetics: Applied Biochemistry Section- A and Applied Nutrition & Dietetics Section - B

Section A (25 marks)

MCQ $4 \times 1 = 4$

Short $3 \times 5 = 15$

Very Short $3 \times 2 = 6$

Section B (50 marks)

MCQ $8 \times 1 = 8$

Essay/situation type $1 \times 10 = 10$

Short $4 \times 5 = 20$

Very Short $6 \times 2 = 12$

3. Section A-38 marks, Section B-25 marks and Section-C-12 marks

Pharmacology, Pathology and Genetics: Pharmacology Section-A, Pathology Section- B and Genetics Section-C

Section A (38 marks)

MCQ $7 \times 1 = 7$

Essay $1 \times 10 = 10$

Short $3 \times 5 = 15$

Very Short $3 \times 2 = 6$

Section B (25 marks)

MCQ $4 \times 1 = 4$

Short $3 \times 5 = 15$

Very Short $3 \times 2 = 6$

Section C (12 marks)

MCQ $3 \times 1 = 3$

Short $1 \times 5 = 5$

Very Short $2 \times 2 = 4$

4. Section A 55 marks and Section B 20 marks

Research and Statistics: Research Section-A and Statistics Section-B

Section A (55 marks)

MCQ $9 \times 1 = 9$

Essay/situation type $2 \times 15 = 30$

Short $2 \times 5 = 10$

Very Short $3 \times 2 = 6$

Section B (20 marks)

MCQ $4 \times 1 = 4$

Short $2 \times 5 = 10$

Very Short $3 \times 2 = 6$

5. Marks 75 (For all other university exams with 75 marks)

MCQ $12 \times 1 = 12$

Essay/situation type $2 \times 15 = 30$

Short $5 \times 5 = 25$

Very Short $4 \times 2 = 8$

6. College Exam (End of Semester) 50 marks (50/2 = 25 marks)

MCQ $8 \times 1 = 8$

Essay/situation type $1 \times 10 = 10$

Short $4 \times 5 = 20$

Very Short $6 \times 2 = 12$

II. University Practical Examination

- Exam will be of 50 marks
- **Competency Assessment**
 - Integrated OSCE including all 5 specialties (Stations based on every specialty) = 5 specialty $5 \times 20 = 100$ marks
 - Total of 5 Examiners: external – 2 and internal – 3 (One from each specialty)
 - Internal examiners may be chosen from college faculty with required qualification or from hospital with required qualification.

III. COMPETENCY ASSESSMENT - University Exam (VIII SEMESTER)

Integrated OSCE including all 5 specialties (Stations based on every specialty) = 5 specialty $5 \times 20 = 100$ marks

Total of 5 Examiners: external 2 and internal 3 (One from each specialty)

Internal examiners may be chosen from college faculty with required qualification or from hospital with required qualification.

IV. Summary of Year Wise OSCE examination.

11. Internal evaluation for Repeaters:

1. A candidate who has been declared fail in University examination for either of 1st, 2nd, 3rd, 4th year BACHELOR OF PHYSIOTHERAPY is a repeater for said examination/paper/course.
2. The eligibility criteria for appearing for university examination shall be applicable for the repeaters. But, the candidate may appear for the theory and practical held during that Academic year, for the improvement of internal marks for the subsequent University examination in the paper/papers he/she has failed. If a candidate does not wish to appear in a repeat internal examination, marks obtained in the previous internal examination will be counted as final marks.

12. Promotion criteria / Carry over system:

1. It is not mandatory to pass in 1st year BACHELOR OF PHYSIOTHERAPY Examination to proceed to 2nd year BACHELOR OF PHYSIOTHERAPY class. Term is granted to the student and is promoted to 2nd Year. However, it is mandatory to pass in all courses/subjects of 1st year BACHELOR OF PHYSIOTHERAPY examination to be eligible to appear for 2nd year BACHELOR OF PHYSIOTHERAPY examination.
2. It is not mandatory to pass in 2nd year BACHELOR OF PHYSIOTHERAPY Examination to proceed to 3rd year BACHELOR OF PHYSIOTHERAPY class. (Students can be allowed to attend classes in 3rd BACHELOR OF PHYSIOTHERAPY only if he/she has passed the 1st BACHELOR OF PHYSIOTHERAPY University exam.). After clearing FY BPT Exam, Term is granted to the student and is promoted to 3rd Year. However, it is mandatory to pass in all courses/subjects of 2nd year BACHELOR OF

PHYSIOTHERAPY examination to be eligible to appear for 3rd year BACHELOR OF PHYSIOTHERAPY examination.

3. It is not mandatory to pass in 3rd year BACHELOR OF PHYSIOTHERAPY Examination to proceed to 4th year BACHELOR OF PHYSIOTHERAPY class. (Students can be allowed to attend classes in 4th BACHELOR OF PHYSIOTHERAPY only if he/she has passed 2nd BACHELOR OF PHYSIOTHERAPY University exam.) After clearing SY BPT Exam, Term is granted to the student and is promoted to 4th Year. However, it is mandatory to pass in all courses/subjects of 3rd year BACHELOR OF PHYSIOTHERAPY examination to be eligible to appear for 4th year BACHELOR OF PHYSIOTHERAPY examination.
4. A candidate cannot be declared to have passed the examination until he/she has passed in all the courses/subjects in that particular examination.
5. Students will not be allowed to appear in higher examinations unless he/she has passed all courses/subjects of lower examination.

Candidates who have failed in theory &/or practical in any course/subject, will have to appear in theory & practical both again for that particular subject.

15. Grace Marks:

Grace Marks for Course/Subject Passing: A candidate shall be given maximum 1, 2 or 3 as grace marks in any course/subjects at maximum only as the case may be to remove the deficiency in securing minimum passing marks in case the subject/course consists of Theory only. It can be increased for any course/subject as per the discretion of Vice Chancellor.

16. Compulsory rotatory internship:

All students of Bachelor of Physiotherapy must undergo a compulsory rotatory internship for a period of 6 months after passing 4th year BACHELOR OF PHYSIOTHERAPY examination in all course/subjects. It includes Minimum 1144 hours. Candidate will have to join internship within 15 days of declaration of 4th year University examination result. Internship should be done as per

GSCPT rules. No candidate shall be awarded degree certificate without successfully completing six months of Internship.

The Internship should be rotatory and cover clinical branches concerned with Physiotherapy such as Orthopedics, Cardiothoracic including ICU, Neurology, Pediatrics, General Medicine, General Surgery, Obstetrics, Geriatrics, Women's health, CBR and Gynecology both in-patient and out-patient services. On completion of all postings, the duly completed logbooks will be submitted to the Principal/Head of program to be considered as having successfully completed the internship program.

Leave during internship

Up to one leave per month with a total of six casual leaves during the entire internship period can be given to the student. In case of illness and hospitalization, additional up to maximum five sick leaves can be given to the student after verifying genuineness of the documents produced. If the amount of leave availed by the student exceeds the above-mentioned leaves, he/she will have to compensate those remaining days in order to comply for successful internship completion.

17. Awards of Degree:

Every student of the programme who fulfils the following criteria will be eligible for the award of the degree:

- He / She should have earned at least minimum required credits as prescribed in course structure.
- He / She should have cleared all components of University exam of every course.
- He / She should have completed the internship with dissertation.

18. Awards of Class:

Criteria	Obtain Class	Attempt
>=75%	FIRST CLASS WITH DISTINCTION	FIRST ATTEMPT
>=60% <75%	FIRST CLASS	FIRST ATTEMPT
>=50% <60%	SECOND CLASS	FIRST ATTEMPT
<50%	PASS CLASS	MORE THAN ONE ATTEMPT

- Note: All other successful candidates who passed the examination in more than first/one attempt or by grace marks shall be declared to have PASS CLASS irrespective of percent of marks secured.

19. Transcript:

The transcript issued to the student at the time of leaving the University will contain a consolidated record of all the courses taken and credits earned.

20. Paper Style

For these courses theory examination paper should be designed as per given format by internal faculty only and for practical examination shall be conducted by internal examiners and no external faculty shall be appointed.
- End Semester Examination (ESE) (Theory and Practical):** As per Pharmacy council of India, this written examination will be conducted in the 21st or 22nd Week from the commencement of the semester comprising 100 % syllabus of the course and exam shall be conducted for 75 marks for theory and 35 marks for practical.

- **Regularity:** On basis of attendance or regularity of the student in participation of learning events (Lecture/Laboratory) throughout the semester and marks will be assigned to the students based on below table:

Attendance In Percentage (%)	Obtained Marks	
	Theory	Practical
Overall Course Attendance Between 95 % to 100.00 %	4 Marks	2.0 Marks
Overall Course Attendance Between 90 % to 94.99 %	3 Marks	1.5 Marks
Overall Course Attendance Between 85 % to 89.99 %	2 Marks	1.0 Marks
Overall Course Attendance Between 80 % to 84.99 %	1 Marks	0.5 Marks
Overall Course Attendance Below 80.00 %	0 Mark	0 Mark

Eligibility for appearing Examination. — Only such students who produce certificate from the Head of the Institution in which he or she has undergone the course of study by attending not less than 80% of the classes held both in theory and practical separately in each course/subject shall be eligible for appearing at examination. The students who are not fulfilling attendance criteria will not be eligible to appear in the End Semester Examination as well as they will be considered as detained.

3. Promotion and award of grades

As per the Guideline provided by Pharmacy Council of India, a student shall be declared PASS and eligible for getting grade in a course of B.Pharm program if he/she secures at least 50% marks in that particular course including continuous internal assessment in Theory and Practical in case of multiple components in any head i.e. Theory or Practical, a student will have to secure minimum 50% marks in each component of the course to be declared as pass in that course.

4. Carry forward of marks

In case a student fails to secure the minimum 50% in any Theory or Practical course as specified in promotion and award of grade, then he/she shall reappear for the end semester examination of that course. However, his/her marks of the Continuous Internal Assessment shall be carried over and he/she shall be entitled for grade obtained by him/her on passing.

5. Backlog Clearance

Backlog Head	Reappear for Exam	Remark
Theory	Internal and External	In case of Internal Remedial examination, original marks (i.e. marks scored in internal assessment of regular session) can be carried forward if it is higher than the marks scored in Remedial exam.
Practical	Internal and External	

6. Improvement of Continuous internal assessment

A student shall have the opportunity to improve his/her performance only once in the mid semester exam component of the continuous internal assessment. The re-conduct of the Sessional exam shall be completed before the commencement of next end semester theory examinations.

7. Re-examination of end semester examinations

Reexamination of end semester examination shall be conducted as before next regular examination. The exact dates of examinations shall be notified from time to time by the University.

8. Question paper pattern for end semester theory examinations

For 75 marks paper

I.	Multiple Choice Questions(MCQs) = 20 x 1 = 20
OR	
	Objective Type Questions (10 x 2) = 10 x 2 = 20 (Answer all the questions)
II.	Long Answers (Answer 2 out of 3) = 2 x 10 = 20
III.	Short Answers (Answer 7 out of 9) = 7 x 5 = 35
Total = 75 marks	

For 50 marks paper

I.	Long Answers (Answer 2 out of 3) = 2 x 10 = 20
II.	Short Answers (Answer 6 out of 8) = 6 x 5 = 30
Total = 50 marks	

For 35 marks paper

I.	Long Answers (Answer 1 out of 2) = 1 x 10 = 10
II.	Short Answers (Answer 5 out of 7) = 5 x 5 = 25
Total = 35 marks	

9. Question paper pattern for end semester practical examinations

I.	Synopsis = 5
II.	Experiments = 25
III.	Viva voce = 5
Total = 35 marks	

10. Academic Progression:

Academic progression rules are applicable as follows:

A student shall be eligible to carry forward all the courses of I, II and III semesters till the IV semester examinations. However, he/she shall not be eligible to attend the courses of V semester until all the courses of I and II semesters are successfully completed.

A student shall be eligible to carry forward all the courses of III, IV and V semesters till the VI semester examinations. However, he/she shall not be eligible to attend the courses of VII semester until all the courses of I, II, III and IV semesters are successfully completed.

A student shall be eligible to carry forward all the courses of V, VI and VII semesters till the VIII semester examinations. However, he/she shall not be eligible to get the course completion certificate until all the courses of I, II, III, IV, V and VI semesters are successfully completed.

A student shall be eligible to get his/her CGPA upon successful completion of the courses of I to VIII semesters within the stipulated time period as per the norms specified in duration of course completion.

A lateral entry student shall be eligible to carry forward all the courses of III, IV and V semesters till the VI semester examinations. However, he/she shall not be eligible to attend the courses of VII semester until all the courses of III and IV semesters are successfully completed.

A lateral entry student shall be eligible to carry forward all the courses of V, VI and VII semesters till the VIII semester examinations. However, he/she shall not be eligible to get the course completion certificate until all the courses of III, IV, V and VI semesters are successfully completed.

A lateral entry student shall be eligible to get his/her CGPA upon successful completion of the courses of III to VIII semesters within the stipulated time period as per the norms specified in duration of course completion

Any student who has given more than 4 chances for successful completion of I / III semester courses and more than 3 chances for successful completion of II / IV semester courses shall be permitted to attend V / VII semester classes ONLY during the subsequent academic year as the case may be. In simpler terms there shall NOT be any ODD BATCH for any semester.

Note: Grade AB should be considered failed and treated as one head for deciding academic progression. Such rules are also applicable for those students who fail to register for examination of any course in any semester.

11. Grading of performances:

- Grading systems to be followed as decided by PCI. For each semester SGPA has to be reflected in to mark sheet. CGPA shall be mentioned from the first semester.

12. Letter grades and grade points allocations

Based on the performances, each student shall be awarded a final letter grade at the end of the semester for each course. The letter grades and their corresponding grade points are given in Table I

Table –I: Letter grades and grade points equivalent to Percentage of marks and performances

Percentage of Marks Obtained	Letter Grade	Grade point	Reference
90.00-100.00	O	10	Outstanding
80.00-89.99	A	9	Excellent
70.00-79.99	B	8	Good
60.00-69.99	C	7	Fair
50.00-59.99	D	6	Average
Less than 50	F	0	Fail
Absent	AB	0	Fail

A learner who remains absent for any end semester examination shall be assigned a letter grade of AB and a corresponding grade point of zero. He/she should reappear for the said evaluation/examination in due course.

13. The Semester grade point average (SGPA)

The performance of a student in a semester is indicated by a number called ‘Semester Grade Point Average’ (SGPA). The SGPA is the weighted average of the grade points obtained in all the courses by the student during the semester. For example, if a student takes five courses (Theory/Practical) in a semester with credits C1, C2, C3, C4 and C5 and the student’s grade points in these courses are G1, G2, G3, G4 and G5, respectively, and then students’ SGPA is equal to:

$$SGPA = \frac{C1G1 + C2G2 + C3G3 + C4G4 + C5G5}{C1 + C2 + C3 + C4 + C5}$$

The SGPA is calculated to two decimal points. It should be noted that, the SGPA for any semester shall take into consideration the F and AB grade awarded in that semester. For example, if a learner has a F or ABS grade in course 4, the SGPA shall then be computed as:

$$SGPA = \frac{C1G1 + C2G2 + C3G3 + C4^* \text{Zero} + C5G5}{C1 + C2 + C3 + C4 + C5}$$

14. Cumulative Grade Point Average (CGPA)

The CGPA is calculated with the SGPA of all the VIII semesters to two decimal points and is indicated in final grade report card/final transcript showing the grades of all VIII semesters and their courses. The CGPA shall reflect the failed status in case of F grade(s), till the course(s) is/are passed. When the course (s) is/are passed by obtaining

a pass grade on subsequent examination(s) the CGPA shall only reflect the new grade and not the fail grades earned earlier. The CGPA is calculated as:

$$CGPA = \frac{C_1S_1 + C_2S_2 + C_3S_3 + C_4S_4 + C_5S_5 + C_6S_6 + C_7S_7 + C_8S_8}{C_1 + C_2 + C_3 + C_4 + C_5}$$

where C1, C2, C3,.... is the total number of credits for semester I,II,III,.... and S1,S2, S3,....is the SGPA of semester I,II,III,.... .

15. Gracing

Declaration of class

The class shall be awarded on the basis of CGPA as follows:

First Class with Distinction	= CGPA \geq 7.50
First Class	= 6.50 \geq CGPA \leq to 7.49
Second Class	= 5.50 \geq CGPA \leq to 6.49

Conversion Formula for CPI/CGPA to Percentage: [(Obtain CPI or CGPA)-0.5] * 10

16. Project work

All the students shall undertake a project under the supervision of a teacher and submit a report. The area of the project shall directly relate any one of the elective courses opted by the student in semester VIII. The project shall be carried out in group not exceeding 5 in number. The project report shall be submitted in triplicate (typed & bound copy not less than 25 pages).

The internal and external examiner appointed by the University shall evaluate the project at the time of the Practical examinations of other semester(s). Students shall be evaluated in groups for four hours (i.e., about half an hour for a group of five students). The projects shall be evaluated as per the criteria given below.

Evaluation of Dissertation Book

Objective(s) of the work done	15 Marks
Methodology adopted	20 Marks
Results and Discussions	20 Marks
Conclusions and Outcomes	20 Marks
Total	75 Marks

Evaluation of Presentation:

Presentation of work	25 Marks
Communication skills	20 Marks
Question and answer skills	30 Marks
Total	75 Marks

Explanation: The 75 marks assigned to the dissertation book shall be same for all the students in a group. However, the 75 marks assigned for presentation shall be awarded based on the performance of individual students in the given criteria.

17. Industrial training (Desirable)

Every candidate shall be required to work for at least 150 hours spread over four weeks in a Pharmaceutical Industry/Hospital. It includes Production unit, Quality Control department, Quality Assurance department, Analytical laboratory, Chemical manufacturing unit, Pharmaceutical R&D, Hospital (Clinical Pharmacy), Clinical Research Organization, Community Pharmacy, etc. After the Semester – VI and before the commencement of Semester – VII, and shall submit satisfactory report of such work and certificate duly signed by the authority of training organization to the head of the institute.

18. Practice School

In the VII semester, every candidate shall undergo practice school for a period of 150 hours evenly distributed throughout the semester. The student shall opt any one of the domains for practice school declared by the program committee from time to time.

At the end of the practice school, every student shall submit a printed report (in triplicate) on the practice school he/she attended (not more than 25 pages). Along with the exams of semester VII, the report submitted by the student, knowledge and skills acquired by the student through practice school shall be evaluated by the course experts at college level and grade point shall be awarded.

19. Scope for Revision

University may time to time revise guidelines strictly within the regularity frame work of Pharmacy Council of India.

- d. **Continuous Internal Evaluation of theory (CIE-TH):** The University has adopted an Evaluation method for unbiased assessment of the students so as to achieve outcome based education. It is a combination of Sessional Evaluation (SE) and regularity in participation of learning events throughout the Year.

Sessional theory Examination (SE): As per Pharmacy council of India (ER 2020) three Sessional theory examination shall be conducted. Sessional exam shall be conducted for 20 marks for theory and shall be computed for 10 marks. For theory, 10 marks should be given for regularity and assignments. All the eligible candidates will be allowed to appear in the Sessional theory exam depending upon Institute Sessional Exam Policy. This is a sub component of IE and for the same examination shall be conducted by Institute and it will be the responsibility of the institute to conduct the sessional exams either through institute level exam cell or central exam team dedicated for conduction of sessional examination. The duration of the sessional exam shall be 60 minutes.

e. **Continuous Internal Evaluation of Practical (CIE-PR)/ Sessional Practical Exams(SE):**

As per Pharmacy council of India (ER 2020) two sessional practicals shall be conducted. Sessional exam for practical shall be conducted for 80 marks and shall be computed for 10 marks, whereas 10 marks should be given for regularity and field visit.

f. **External Examination of Practical (EE-PR):** The exam schedule of EE(PR) shall be declared as per the University Academic Calendar and Examiners for Conducting EE-PR shall be appointed by the University examination cell for the course/subjects having EE(PR) component.

The students who fail to obtain passing marks will have to appear in a repeater student's exam of EE (PR) component in the subsequent examination till he/she fulfills the minimum pass marks criterion.

g. **Regularity:** On basis of attendance or regularity of the Student in participation of learning events (Lecture/Laboratory) throughout the year. Marks will be assigned to the students based on below table:

Attendance in Percentage (%)	Obtained Marks
Overall Course Attendance Between 95 % to 100.00 %	5 Marks
Overall Course Attendance Between 90 % to 94.99 %	4 Marks
Overall Course Attendance Between 85 % to 89.99 %	3 Marks
Overall Course Attendance Between 80 % to 84.99 %	2 Marks
Overall Course Attendance Between 75 % to 79.99 %	1 Marks
Overall Course Attendance Below 75.00 %	0 Mark

The Students who are not fulfilling attendance criteria will not be eligible to appear in the end year examination as well as they will be considered as a course/subject detain for the course/subject in which they have not fulfilled above criteria. The courses/subjects in which a student's attendance is as per attendance Criteria will be eligible to appear in the End Year Exam

2. Guidelines for the conduct of theory examinations

- a. **Sessional Examinations :** There shall be three periodic sessional (internal assessment) examinations during each academic year. The duration of the sessional exam shall be 60 minutes. The highest aggregate of best two performances shall form the basis of calculating the sessional marks. The scheme of the question paper for theory sessional examinations shall be as given below.

Sr. No	Particular	Marks
I.	Long Answers (Answer 3 out of 4)	3 x 5 = 15
II.	Objective type Answers (Answer all 5 out of 5) (Multiple Choice Questions / Fill-in the Blanks / One word OR one Sentence questions)	5x 1 =5
		Total = 20 marks

- b. **Internal assessment:** The marks secured by the students out of the total 20 shall be reduced to 10 in each sessional, and then the internal assessment shall be calculated based on the best two averages for 10 marks.

3. External Examination

- a. The scheme of the question paper for the theory examinations conducted by the examining authority (Board / University) shall be as given below. The duration of the final examination shall be 3 hours.

Sr. No	Particular	Marks
I.	Long Answers (Answer 6 out of 7)	6 x 5 = 30
II.	Short Answers (Answer 10 out of 11)	10 x 3 = 30
III.	Objective type Answers (Answer all 20) (Multiple Choice Questions / Fill-in the Blanks / One word OR one Sentence questions)	20 x 1 = 20
		Total = 80 marks

4. Guidelines for the conduct of practical examinations

- a. **Sessional Examinations**

There shall be two periodic sessional (internal assessment) practical examinations during each academic year. The duration of the sessional exam shall be three hours. The average of two performances shall form the basis of calculating the sessional marks. The scheme of the question paper for practical sessional examinations shall be as given below.

Sr. No	Particular	Marks
I.	Synopsis	10
II.	Experiments	50*
III.	Viva voce	20
		Total = 80 marks

*The marks for the experiments shall be divided into various categories, viz. major experiment, minor experiment, spotters, etc. as per the requirement of the course

b. Continuous Internal assessment

The marks secured by the students out of the total of 80 shall be reduced to 10 in each sessional, and then the continuous internal assessment shall be calculated based on the best two averages for 10 marks from the sessional and other 10 marks shall be awarded as per the details given below.

I.	Actual performance in the sessional examination	10 Marks
II.	Journal/Field visit /Assignment marks	5 Marks
III.	Regularity	5 Marks
		Total = 20 marks

5. Final University Examinations

The scheme of the question paper for the practical examinations conducted by the examining authority (Board / University) shall be as given below. The duration of the final examination shall be 3 hours.

I.	Synopsis	10
II.	Experiments	50*
III.	Viva voce	20
		Total = 80 marks

* The marks for the experiments shall be divided into various categories, viz. major experiment, minor experiment, spotters, etc. as per the requirement of the course.

6. Promotion and award of marks

A student shall be declared PASS and eligible for getting grade in a course of D.Pharm program if he/she secures at least 40% marks in that particular course including internal assessment in Theory and Practical For example, to be declared as PASS and to get marks, the student has to secure a minimum of 40 marks for the total of 100 including continuous mode of assessment and external theory and practical examination. In case of multiple components in any head i.e. Theory or Practical, a student will have to secure minimum 40% marks in each component of the course/subject to be declared as pass in that course/subject.

Note : As per the guideline of Pharmacy Council of India, the mark sheet should reflect the marks and not the grade conventionally at Silver Oak University.

7. Carry forward of marks

In case a student fails to secure the minimum 40% in any Theory or Practical course as specified in promotion and award of marks, then he/she shall reappear for the external examination of that course. However, his/her marks of the continuous Internal Assessment shall be carried over and he/she shall be entitled for grade obtained by him/her on passing.

8. Improvement of continuous internal assessment

A student shall have the opportunity to improve his/her performance only once in the Sessional exam component of the continuous internal assessment. The re-conduct of the Sessional exam shall be completed before the commencement of next end year theory examinations.

9. Practical training

After having appeared in Part-II examination for the Diploma in Pharmacy held by an approved Examining Authority a candidate shall be eligible to undergo practical training as defined by the PCI in its gazette.

Annexure – V : Criteria for award of Gold Medal/Merit Certificate

1. The University shall award Gold Medal to the topper student of postgraduate, undergraduate and diploma program (i.e. topper of every program – for example topper from B.Tech/M.Tech/MBA etc) where total number of students who are eligible for conferment of degree/diploma are more than or equal to 20 in undergraduate and diploma programs and more than or equal to 10 in post graduate programs.
2. Merit certificate shall be awarded to the branch topper students of postgraduate, undergraduate and diploma program (i.e. topper of every branch - for example topper from Civil/Mechanical etc. where total number of students who are eligible for the conferment of degree/diploma are more than or equal to 7 but less than 20 in the respective branches of any undergraduate and diploma programs, and where the total number of students who are eligible for conferment of degree/diploma is more than or equal to 5 for PG program but less than 10 in post graduate programs.

Gold Medal And Merit Certificate Criteria*			
	Gold	Merit Certificate	No award
UG	≥ 20	< 20 and ≥ 7	< 7
PG	≥ 10	< 10 and ≥ 5	< 5

* *Note: The numbers indicated in above table are total number of students who are eligible for the conferment of degree/diploma. It does not include old batch students who became eligible after clearing backlog.*

3. The student who has secured highest CGPA/CPI/Percentage (whichever is applicable) in the aggregate of examinations in each program and branch shall be eligible for Gold medal or Merit certificate.
4. To be eligible for the gold medal or merit certificate, the student must have obtained, in aggregate, 7.5 CPI or 7.5 CGPA or 70% or more marks (whichever is applicable) in any program.
5. The student must have passed the examination in regular mode and must have studied and cleared all the semesters/years of the programmes with single attempt from the Silver Oak University. However, if a candidate passes the subject(s) after re-evaluation of the regular exam then it shall be treated as a single attempt. Such re-evaluated marks shall be considered for ascertaining the award of Gold Medal/Merit Certificate.
6. The student must have completed all requirements for the degree programme during the minimum prescribed period.
7. Students who have availed the provision of break of study or withdrawal shall not be considered eligible for the award of Gold Medal/Merit Certificate.
8. The candidate who reappears on account of absence in any subject in regular exam shall not be eligible for award of Gold Medal/Merit Certificate.
9. The student who has been punished during the tenure of his/her studies by any competent authority of the university or institution will not be eligible for award of Gold Medal/Merit Certificate.

10. If the topper student does not fulfil the above requirements, the Gold Medal/Merit Certificate shall be awarded to the next student in merit.
11. If a student declines the Medal/Merit Certificate, the same shall be awarded to the next student in merit. Once such student has declined his Medal/Merit Certificate, he/she cannot claim it again.
12. Certificate programs are not eligible for the award of gold medal.
13. Any post graduate diploma programme of 2 years and equivalent to PG programme may be considered for gold medal/merit certificate. Post graduate diploma programs of less than 2 years duration shall not be considered for award of medals.

Course wise description of whether CPI or CGPA will be considered:

CPI/CGPA will be considered -

- For any programme if degree/diploma is awarded based on CGPA, then CGPA shall be considered for the identification of Topper. If CGPA is not applicable then for such program CPI shall be considered for the identification of topper. For any course where CGPA/CPI are not considered then for such courses, percentage of all semester/year shall be considered for the identification of topper.

Rules of breaking the tie, if any:

- i. If CGPA of more than one student are equivalent, then the student with highest CPI shall be considered as topper. In case of percentage, the student with highest percentage shall be considered as topper.
- ii. If CPI or Percentage (where percentage is applicable) of more than one student are equivalent, then the student with higher external theory marks of all semesters will be eligible for medal/ merit certificate.
- iii. If the marks as per criteria (ii) are equivalent then the student with higher total marks of all semesters is eligible for medal/merit certificate.
- iv. In case of a situation when topper can not be identified by following rule (i), Rule (ii) and Rule (iii) given above, in such situation, the decision of the competent authority will be final.

Other Points:

1. A certificate of merit to every awardee of medal shall also be issued.
2. The medal may be of silver, with a coating of pure gold with inscriptions on it. The shape and size of medals will be Uniform and as decided by Silver Oak University.
3. University may exclude any programme/branch of any programme from consideration of Merit Certificate/ Gold Medal at any point of time. In this matter the decision of the University shall be final.
4. Whenever the Academic Council and Board of Governance approves any flexibility in programmes in which medals are awarded necessitating modification of these rules, the rules shall be deemed to have been modified accordingly.
5. In case of any ambiguity, the decision of the University will be considered as final.

- Calculation of average score:
 - For a 12 week course - Average assignment score = A = Average of best 8 assignments out of the total 12 assignments given in the course.
 - For a 8 week course - Average assignment score = A = Average of best 6 assignments out of the total 8 assignments given in the course
 - For a 4 week course - Average assignment score = A = Average of best 3 assignments out of the total 4 assignments given in the course.
- CIE(TH) - 40 Calculation
 - $CIE(TH) = (A \times 40) / 10$
- CIE(PR) - 20 Calculation
 - $CIE(PR) = (A \times 20) / 10$
- ESE(PR) - 30 Calculation
 - $ESE(PR) = (A \times 30) / 10$
- ESE(TH) - 60 Calculation
 - Marks obtained by the student in the proctored exam of SWAYAM shall be **converted into 100** & relevant grades shall be awarded as per table mentioned below.
 - **NPTEL SWAYAM Examination and Grades Equivalency for UG & Diploma Courses**
 - The grading system used for NPTEL SWAYAM examinations and the equivalent grades in the university are as follows:

Letter Grade	Number Grade	Mark Range
O	10	80-100
A+	9	70-79
A	8	60-69
B+	7	55-59
B	6	50-54
C	5	45-49
P	4	40-44
F	-	0-39

Supplementary Examination:

The university shall offer a supplementary examination for students who are unable to clear the NPTEL SWAYAM examination. Students can avail themselves of this option to successfully complete the course.

Appearing in the Proctored exam organized by SWAYAM is essential for getting considered for the Supplementary exam. So, those who stay ABSENT in the Proctored Exam shall be considered ABSENT in the result of the ESE(TH) component.

AMENDMENTS

Amendment 1

Academic Council Date: 10th August 2022

1st Amendment in Silver Oak University Examination Regulations 2020

Academic Council of the University amends the Examination Regulations 2020 relating to the Evaluation Scheme for courses of all programmes for all the faculties of the University.

Old Scheme

1. Marks distribution for Theory Courses:

Course Type	Continuous Internal Evaluation			End Semester Evaluation	Total Marks
	CIE (TH) = 40 marks			ESE (TH) = 60 marks	
Theory	MSE	CE	Regularity	Written Exam	100
	25	10	05	60	

2. Marks distribution for Practical/ Drawing / Projects etc.:

Course Name	Continuous Internal Evaluation			End Semester Evaluation	Total Marks
	CIE (PR)=40 marks			ESE (PR) = 60 marks	
Practical	PR-1	PR-2	LW submission	Practical Exam & Viva Voce	100
	10	10	20	60	

3. Marks distribution for Theory Courses including Practical:

Course Name	Continuous Internal Evaluation						End Semester Evaluation		Total Marks
	CIE (TH) = 40 marks			CIE (PR) = 20 marks			ESE (TH)	ESE (PR)	
Theory + Practical	MSE	CE	Reg.	PR-1	PR-2	LW submission	Written Exam	Practical Exam & Viva Voce	150
	25	10	05	05	05	10	60	30	

- a. **Continuous Internal Examination of theory (CIE-TH):** The university has adopted a method of assessing the academic performance of the students on a continuous basis. It is an Evaluation method adopted for unbiased assessment of the students so as to achieve outcome-based education. It is a combination of various assessments conducted continuously during the semester like Continuous Evaluation-1 (CE-1), Continuous Evaluation-2 (CE-2), Mid Semester Evaluation (MSE) and regularity in participation of learning events throughout the semester. However, for any kind of calculation related to attainment of CO/PO, the sub-component of CE and Regularity shall not be considered

- o **Continuous Internal Evaluation (CIE):** Total two CEs shall be conducted for each subject/course of 20 marks each during the semester upon compilation of 25 % and 50 % syllabus respectively. Various modes of formative assessment

shall be adopted for this component. Mode of this assessment shall be decided by HoI at the beginning of semester on the basis of courses' nature. That is, in some courses there shall be a module test under CE category while others may have other formative assessments like task performance, field assignment, poster presentation etc. as per need of a course. Average of two CEs will be considered for the CE component. There are no individual passing criteria for this sub part of Continuous Internal Evaluation (CIE) and it will have the weightage of 10 marks for Continuous Internal Evaluation.

- **Mid Semester Examination (MSE):** This written examination will be conducted in the 13th or 14th Week from the commencement of the semester comprising 70 % syllabus of the Course and of 50 marks. The Question paper of MSE shall be designed as per the prescribed format given by the University Examination Department. All the eligible candidates will be allowed to appear in the Mid Semester Exam depending upon Institute Mid Semester Exam Policy. This is a sub component of CIE and for the same Examination shall be conducted by Institute level exam cell and the responsibility of the institute to conduct the MSE either through institute level exam cell or central exam team dedicated for conduction of Mid examination. There are no individual passing criteria for this sub part of the Continuous Internal Evaluation (CIE) and it will have the weightage of 25 marks for Continuous Internal Evaluation.
- **Regularity (Reg):** On basis of attendance or regularity of the student in participation of learning events (Lecture/Laboratory) throughout the semester. Marks will be assigned to the students based on below table:

Attendance In Percentage (%)	Obtained Marks
Overall Course Attendance Below 75.00 %	00 Mark
Overall Course Attendance Between 75.00 % to 80.00 %	01 Mark
Overall Course Attendance Between 80.01 % to 85.00 %	02 Mark
Overall Course Attendance Between 85.01 % to 90.00 %	03 Mark
Overall Course Attendance Between 90.01 % to 95.00 %	04 Mark
Overall Course Attendance Between 95.01 % to 100.00 %	05 Mark

- Minimum passing marks for CIE-TH is 40% of maximum marks for UG and 50% marks for PG of this component. The result of CIE-TH shall be declared at the end of the 15th week of Semester as per academic calendar. If a candidate fails to score the minimum passing marks, a remedial internal improvement exam would be conducted in the same semester and internal components can also be improved by completing extra work assigned by HOD & concerned faculty before term end. The student will be entitled for maximum up to passing marks in the CIE-TH component if he/she passes the CIE-TH in remedial exam and appearing for the end semester exam as a regular student.
- If the student, even after appearing in remedial exam & improvement of internal component does not succeed to score passing marks, then he/she shall have to improve his/her performance by appearing in the exam (called as repeater

students' internal exam) in subsequent semesters till he / she fulfils minimum pass marks criterion. Internal Examination of repeater students shall be of 40 marks and he / she will have to score 40% marks for UG & 50% marks for PG courses to pass the CIE component.

- b. **End Semester Examination of theory (ESE-TH):** End Semester Exam will be of 60 marks, and will commence after term end as per academic calendar and ESE exam Schedule. Each exam shall be of 120 Minutes (2:00hrs.) duration with a minimum pass marks criterion of 40% for UG and 50% for PG. If a student fails to get minimum marks as per passing criteria, then student shall appear in the subsequent semester's repeater exam (remedial ESE) till minimum criteria are fulfilled. Once the student appears in the Remedial Exam will be considered as a repeater student and grades of that particular Course will be based on the remedial exam criteria.
- c. **Continuous Internal Examination of Practical (CIE-PR):** This component is evaluated on a continuous basis during the semester. It is a combination of two periodical reviews of practical work through formative assessment and regularity in laboratory work and in Lab Work Manual/Journal submission for Courses having a practical component.

Marks distribution for CIE-PR for the type of course having practical heads along with theory heads.

- Periodic Review-1: 5 marks
- Periodic Review-2: 5 Marks
- Regularity in Lab Work & final Submission of Laboratory Work/Journal/Project-Internship Report/viva: 10 Marks

Marks distribution for CIE-PR for the type of courses having only practical heads.

- Periodic Review-1: 10 marks
- Periodic Review-2: 10 Marks
- Regularity in Lab Work & final Submission of Laboratory Work/Journal/Project-Internship Report/viva: 20 Marks

Periodic Review exams conducted during the semester as per Departmental Academic Calendar in the laboratory sessions. Maximum marks for CIE-PR component is 40 % of total Practical marks. The students who fail to obtain 40% of Passing criteria will have to appear in a repeater students' exam of CIE (PR) component in the subsequent semester till he/she fulfills the minimum pass marks criterion.

- d. **End Semester Examination of Practical (ESE-PR):** The exam schedule of ESE(PR) shall be declared as per the University Academic Calendar and Examiners for Conducting ESE-PR shall be appointed by the University examination cell for the Courses having ESE(PR) component.

For 30 marks component,

- Practical Examination / Final project Review - 15 marks
- Viva Voce - 10 marks
- Certified Lab Work/Journal record / Project or Internship Report - 5 marks

For 60 marks component,

- Practical Examination / Final project Review - 30 marks

- Viva Voce - 20 marks
- Certified Lab Work/Journal record / Project or Internship Report - 10 marks

Maximum marks for this component is 60 marks. The students who fail to obtain Passing marks will have to appear in a repeater students' exam of ESE (PR) component in the subsequent semester till he/she fulfills the minimum pass marks criterion. Once the student appears in the Remedial Exam will be considered as a Repeater Student and grades of that particular Course will be based on the same. For semester which are part of first half of the programme duration, for them internal faculty can take examination of ESE-PR and for remaining i.e. second half of the programme, it is desirable that assessment of ESE-PR exam is done by external faculty.

The evaluation scheme for Diploma and Undergraduate for all the faculties are amended as follows and same will be effective from Academic year 2022-23.

Amended Evaluation Scheme for courses of all programmes:

1. Marks distribution for Theory course:

Course Type	Continuous Internal Evaluation			End Semester Evaluation	Total Marks
	CIE (TH) = 40 marks			ESE (TH) = 60 marks	
Theory	MSE	Assignments	Regularity	Written Exam	100
	25	10	05	60	

2. Marks distribution for Practical course:

Course Type	Continuous Internal Evaluation			End Semester Evaluation	Total Marks
	CIE (PR)=40 marks			ESE (PR) = 60 marks	
Practical	PR-1	PR-2	LW submission	Practical Exam & Viva Voce	100
	10	10	20	60	

3. Marks distribution for course having Theory & Practical heads:

Course Type	Continuous Internal Evaluation						End Semester Evaluation		Total Marks
	CIE (TH) = 40 marks			CIE (PR) = 20 marks			ESE (TH)	ESE (PR)	
Theory + Practical	MSE	Assignments	Regularity	PR-1	PR-2	LW submission	Written Exam	Practical Exam & Viva Voce	150
	25	10	05	05	05	10	60	30	

a. **Continuous Internal Evaluation of theory (CIE-TH):**

It is an Evaluation method for unbiased assessment of the students so as to achieve outcome-based education. It is a combination of Mid Semester Evaluation (MSE), Assignments and regularity in participation of learning events throughout the semester. However, for any kind of calculation related to attainment of CO/PO, the sub-component of Assignment and Regularity shall not be considered.

- **Mid Semester Examination/Evaluation (MSE):**

- This written examination will be conducted in the 13th or 14th Week from the commencement of the semester comprising 70 % syllabus of the course and shall be of 50 marks or as specified in evaluation scheme. If otherwise specified, the exam shall be of 90 minutes (1.5 hrs.) duration and obtained marks to be converted to the pro rata of marks prescribed in evaluation scheme for MSE component of CIE-TH. For example, marks to be converted to the ratio of 25 marks if the exam is taken of 50 marks for the course having 25 marks component in evaluation scheme.
 - The Question paper of MSE shall be designed as per the format prescribed by the University. All the eligible candidates will be allowed to appear in the Mid Semester Exam.
 - This is a sub component of CIE and for the same examination shall be conducted by Institute and it will be the responsibility of the institute to conduct the MSE either through institute level exam cell or central exam team dedicated for conduction of Mid examination.
 - There are no individual passing criteria for this sub part of the Continuous Internal Evaluation (CIE) and it will have the weightage of 25 marks (out of 40 marks) for CIE-TH. However, it may differ depending up on the structure of the course.
- **Assignments:** Subject Teacher shall allocate assignments to students and marks according to evaluation scheme shall be awarded. It may be based on tutorials / seminars / field visits / quizzes / assignments / etc. conducted weekly/fortnightly. There is no individual passing criterion of this sub-component.
- **Regularity (Reg.):** On basis of attendance or regularity of the student in participation of learning events (Lecture/Laboratory) throughout the semester. There is no individual pass criterion of this sub component. Marks will be assigned to the students based on criteria given in below table:

Attendance in Percentage (%)	Obtained Marks
Overall Course Attendance Between 90.01 % to 100.00 %	05 Marks
Overall Course Attendance Between 85.01 % to 90.00 %	04 Marks
Overall Course Attendance Between 80.01 % to 85.00 %	03 Marks
Overall Course Attendance Between 70.01 % to 80.00 %	02 Marks
Overall Course Attendance Between 60.00 % to 70.00 %	01 Mark
Overall Course Attendance Below 60.00 %	00 Mark

- **Passing Marks for CIE-TH**
- Minimum passing marks for CIE-TH is 40% of maximum marks for UG and 50% of maximum marks for PG programmes. The result of CIE-TH shall be declared at the end of the 15th week of

Semester as per academic calendar. If a candidate fails to score the minimum passing marks, a remedial internal improvement exam would be conducted in the same semester. If not feasible to conduct such exam due to any reason, than Internal components can also be improved by completing extra work assigned by HOD & concerned faculty before term end.

- Internal Examination of repeater students shall be of 40 marks and he / she will have to score 40% marks for UG & 50% marks for PG courses to pass the CIE component.
- The student will be entitled for maximum up to passing marks in the CIE-TH component if he/she passes the CIE-TH in remedial exam and appearing for the end semester exam as a regular student.
- If the student, is not able to clear CIE-TH in the same semester, then he/she will have to improve his/her performance by appearing in the exam in subsequent semesters until he / she pass the CIE-TH component.
- A ceiling of minimum passing marks will not be applicable to repeater students with the reason that he/she will be issued more than one grade sheets and his/her multiple attempts are being counted to clear the semester.

b. End Semester Examination/Evaluation of theory (ESE-TH):

- End Semester Exam shall commence after end of term and as per academic calendar for the 60 marks or as specified in evaluation scheme. If otherwise specified, each exam shall be of 120 Minutes (2:00hrs.) duration with a minimum pass marks criterion of 40% for courses of UG programme and 50% for courses of PG Programme. For Example, considering 60 marks of ESE component, minimum 24 marks out of 60 for UG courses and 30 out of 60 marks for PG courses are required to pass the ESE component.
- If a student fails to get minimum passing marks i.e. 40% in UG and 50% in PG of ESE, then student shall appear in the subsequent semesters for repeater exam (remedial ESE) till it is passed. Once the student appears in the Remedial Exam, he/she will be considered as a repeater student. Actual marks shall be awarded to repeater student with reason that he will be issued more than one grade sheets and his/her multiple attempts will be counted to clear the semester

c. Continuous Internal Evaluation of Practical (CIE-PR): It is a combination of two periodical reviews of practical work through formative assessment and regularity in laboratory work as mentioned below:

- **Marks distribution for CIE-PR for the type of course having practical heads along with theory heads.**

Below allocation of marks is given based on 20 marks of ESE-PR component for understanding purpose and shall be applied on pro rata basis or as specified by BoS or Academic council for other courses having different marks of ESE-PR.

- iv. Periodic Review-1: 5 marks
- v. Periodic Review-2: 5 Marks
- vi. Regularity in Lab Work & final Submission of Laboratory Work/Journal/Project-Internship Report/viva: 10 Marks

Periodic Review exams must be conducted during the semester as per departmental academic calendar of the laboratory sessions. The students who fail to obtain passing marks will have to appear in a repeater students' exam of CIE (PR) component in the subsequent semesters until he/she pass it. If a student is appearing for the remedial exam of that semester, then actual marks scored shall be awarded to repeater students with reason that he will be issued more than one grade sheets and his/her multiple attempts will be counted to clear the semester.

- **Marks distribution for CIE-PR for the type of courses having only practical heads.**

Below allocation of marks is given based on 40 marks of ESE-PR component for understanding purpose and shall be applied on pro rata basis or as specified by BoS or Academic council for other courses having different marks of ESE-PR.

- iv. Periodic Review-1: 10 marks
- v. Periodic Review-2: 10 Marks
- vi. Regularity in Lab Work & final Submission of Laboratory Work/Journal/Project-Internship Report/viva: 20 Marks

Periodic Review exams conducted during the semester as per departmental academic calendar of the laboratory sessions. The students who fail to obtain passing marks will have to appear in a repeater students' exam of CIE (PR) component in the subsequent semesters until he/she pass it. If a student is appearing for the remedial exam of that semester, then actual marks scored shall be awarded to repeater students with reason that he will be issued more than one grade sheets and his/her multiple attempts will be counted to clear the semester.

- d. **End Semester Examination/Evaluation of Practical (ESE-PR):** The exam schedule of ESE(PR) shall be conducted as per the University Academic Calendar.

- **Marks distribution for ESE-PR for the type of course having practical heads along with theory heads.**

Below allocation of marks is given based on 30 marks of ESE-PR component for understanding purpose and shall be applied on pro rata

basis or as specified by BoS or Academic council for other courses having different marks of ESE-PR.

- iv. Practical Examination/Final project Review - 15 marks
 - v. Viva Voce - 10 marks
 - vi. Certified Lab Work/Journal record/Project or Internship Report - 5 marks
- **Marks distribution for ESE-PR for the type of courses having only practical heads:**

Below allocation of marks is given based on 60 marks of ESE-PR component for understanding purpose and shall be applied on pro rata basis or as specified by BoS or Academic council for other courses having different marks of ESE-PR.

- iv. Practical Examination / Final project Review - 30 marks
- v. Viva Voce - 20 marks
- vi. Certified Lab Work/Journal record / Project or Internship Report - 10 marks

The students who fail to obtain Passing marks will have to appear in a repeater students' exam of ESE (PR) component in the subsequent semesters until he/she pass it. Once the student appears in the Remedial Exam will be considered as a Repeater Student and actual marks will be awarded to such student with reason that he will be issued more than one grade sheets and his/her multiple attempts will be counted to clear the semester. For semester which are part of first half of the programme duration, for them internal faculty can take examination of ESE-PR and for remaining i.e. second half of the programme, it is desirable that assessment of ESE-PR exam is done by external faculty

Note: The minimum/maximum marks given above are for general understand and shall be considered only as an example. This may vary depending upon the nature of course and weightage given to each component in the teaching and evaluation scheme of that course.

Amendment 2

Academic Council Date: 30th November 2022

2nd Amendment in Silver Oak University Examination Regulations 2020

The provision of Examination policy R10-point no 11 “**Re-evaluation of Answer Books (Reassessment and double evaluation)**” is amended as below.

The provision of Examination policy i.e. R10-point no 11 “Re-evaluation of Answer Books (Reassessment and double evaluation)” shall be referred as below with addition of Note in the existing rules.

OLD Rules (Before Amendment):

As per existing policy, there is no provision of refund of application fees paid by student at the time of applying for re-evaluation of answer books.

After Amendment (Note to be added):

Note: In case of change in the grade, student can claim for refund of application fees by submitting a written application to examination cell after result declaration. If grade is not changed, then student will have no right to claim for refund.

This facility will be applicable from next examination session i.e. Summer 2023.

Amendment 3

Academic Council Date: 01st May 2024

Teaching and Evaluation Scheme (As per NEP Guidelines)

In line with the Standard Operating Procedure for Implementation of National Education Policy-2020 for the State of Gujarat issued by Education Department of Govt. of Gujarat, changes in the existing examination policy of SOU are incorporated.

These changes in the Teaching and Evaluation scheme will be applicable from the academic year 2024-2025 for the students enrolled from Academic Year 2024-2025 and onwards. The evaluation scheme has been modified and kept 50% Weightage for Internal Assessment & 50% Weightage for End Semester Exams.

The maximum marks and minimum passing marks for each passing head of a course shall be given in the Teaching and Evaluation Scheme of a course. An exemplary general structure for understanding is given below. Depending upon the requirement and necessary, it can be modified/alterd for courses of any programme. The bifurcation of Marks weightage to be derived is explained as follows for all the courses.

Course Type	Teaching Scheme				Evaluation Scheme				Total Marks
	Lecture/ Week (L)	Tutorial/ Week (T)	Practical/ Week (P)	Total Credits (C)	Continuous Internal Evaluation		External Evaluation		
					CIE (TH)	CIE (PR)	ESE (TH)	ESE (PR)	
Set 1 (TH)	4	0	0	4	50	00	50	00	100
Set 2 (PR)	0	1	4	3	0	50	0	50	100
Set 3 (TH+PR)	3	0	2	4	50	25	50	25	150
Set -4 (TH+PR)	2	0	4	4	25	50	25	50	150

1. Evaluation Category:

The evaluation will have two broader categories as mentioned below

c) Continuous and Comprehensive Evaluation (CCE)- Formative

CCE can also be called as Continuous Internal Evaluation. It is an Evaluation method for unbiased assessment of the students so as to achieve outcome-based education. It is a combination of Mid Semester Evaluation (MSE), Assignments, Intermediate assessment and regularity in participation of learning events throughout the semester. However, for any kind of calculation related to attainment of CO/PO, the sub-component of Assignment and Regularity shall not be considered.

d) Semester End Evaluation (SEE)- Summative

SEE can also be called as End Semester Evaluation/End Semester Examination. It is the end semester evaluation to be conducted after term end either in theory or practical mode.

2. Passing Standard & Conversion

The passing standard of 40% of UG/Diploma/Certificate level course shall be followed and 50% for PG/PG diploma equivalent to PG shall be followed. For more clarity, norms specified in SOU exam policy shall be followed.

At any point of time while deriving passing marks, any decimal value shall be rounded to nearest and higher integer. For example, 12.5 to be considered as 13, 37.5 to be considered as 38.

3. Evaluation Scheme for all programmes

For the purpose of explanation in detail, above type of courses are again bifurcated with different components.

Set 1 - Only Theory type course:

Course Type	Continuous Internal Evaluation				End Semester Evaluation	Total Marks
	CIE (TH) = 50 marks				ESE (TH) = 50 marks	
Theory Set 1 (TH)	MSE	Intermediate Assessment	Formative Assessment	Regularity	Written Exam	100
	25	10	10	05		

Set – 2 - Only Practical type course:

Course Type	Continuous Internal Evaluation			End Semester Evaluation	Total Marks
	CIE (PR)=50 marks			ESE (PR) = 50 marks	
Practical Set 2 (PR)	PR-1	PR-2	LW submissions	Practical Exam & Viva Voce	100
	20	20	10		

Set – 3 - Theory + Practical (Theory 100 + Practical 50 Marks) type course:

Course Type	Continuous Internal Evaluation							End Semester Evaluation		Total Marks
	CIE (TH) = 50 marks				CIE (PR) = 25 marks			ESE (TH) = 50 marks	ESE (PR) = 25 marks	
Set 3 (TH+PR)	MSE	Intermediate Assessment	Formative Assessment	Regularity	PR-1	PR-2	LW submissions	Written Exam	Practical Exam & Viva Voce	150
	25	10	10	05	06	06	13			

Set –4- Theory + Practical (Theory 50 marks + Practical 100 marks) type Course:

Course Type	Continuous Internal Evaluation								End Semester Evaluation		Total Marks
	CIE (TH) = 25 marks				CIE (PR) = 50 marks				ESE (TH) = 25 marks	ESE (PR) = 50 marks	
Set 3 (TH+PR)	MSE	Intermediate Assessment	Formative Assessment	Regularity	PR-1	PR-2	PR-3	LW submissions	Written Exam	Practical Exam & Viva Voce	150
	10	05	05	05	10	15	15	10			

e) Continuous Internal Evaluation - Theory (CIE-TH)

Continuous evaluation of theory head to be done as per below components.

○ **MSE - Mid Semester Examination/Evaluation (MSE)**

50 Marks test shall be conducted. The test may be of 90 Minutes Duration. This may be conducted as per academic Calendar of the University. Marks shall be deducted to 25 or 10 or as per weightage of the MSE component of the course. It is essential to pass MSE component individually by the student. Student not able to score passing marks in MSE i.e. 40% of MSE component for UG and 50% of MSE component for PG will be considered as unsuccessful in CIE and will have to appear for remedial mid semester exam. Marks scored in MSE shall be scale down to 25 or as per weightage of the MSE component. Student appearing for remedial exam of MSE component will be awarded only passing marks in MSE component.

○ **Intermediate Assessment**

It can be of 30 Marks Test having 10 Marks of Objective Type questions (to assess the competency level) and 20 Marks of descriptive type questions. However, University may change this pattern as and when required. This may be conducted after eight week or forty to forty-five days of commencement of semester during regular Class room teaching or by using ICT Tools at the institute level having duration of 1 Hour or it can also be conducted by central exam team. Marks may be deducted out of 10 or depending up on the weightage of the component. If required, University may arrange 15 marks test if the weightage of the Intermediate assessment is 05 marks and it can be deducted to the ratio of weightage of the component.

○ **Formative Assessment**

It can be in the form of Assignments/Class Tests / Quiz / Presentations / tutorials / seminar/ work place based assessment/ on job training etc. and 4 such assessment of 10 marks each to be conducted in case of weightage of Formative Assessment is of 10 marks OR 2 such assessment of 5 marks each in case of weightage of Formative Assessment is of 5 marks. Average may be taken out to derive marks out of 10 or 5 as per the weightage of the component. This can be conducted weekly/fortnightly but may be completed before the end semester examinations.

○ **Regularity**

On basis of attendance or regularity of the student in participation of learning events (Lecture/Laboratory) throughout the semester evaluation shall be done. Marks to be awarded out of 5 with reference to attendance percentage as per SOU policy.

○ **Passing Marks for CIE-TH**

To pass CIE-TH, a student shall score minimum 40% in UG and 50% in PG programmes for every course. Except MSE, it is not necessary to pass in individual sub components like Intermediate Assessment/Formative assessment/Regularity but it is compulsory to pass CIE-TH as a whole. However, it is essential to pass in MSE component individually.

Repeater students shall be awarded passing marks in MSE component. For Intermediate Assessment/Formative assessment/Regularity component, actual marks earned by the student shall be awarded.

If the student, is not able to clear CIE-TH in the same semester, then he/she will have to improve his/her performance by appearing in the exam in subsequent semesters until he / she pass the CIE-TH component. A ceiling of minimum passing marks will be applicable to repeater students for MSE component.

f) End Semester Examination/Evaluation-Theory (ESE-TH)

Test of 50 Marks to be conducted for duration of 2 Hours. Marks to be deducted out 50 or 25 as per the weightage of ESE component. This is end semester (external) component and must be plan and conducted through CoE.

If a student fails to get minimum passing marks i.e. 40% in UG and 50% in PG of ESE, then student shall appear in the subsequent semesters for repeater exam (remedial ESE) till it is passed. Once the student appears in the Remedial Exam, he/she will be considered as a repeater student. Actual marks shall be awarded to repeater student with reason that he will be issued more than one grade sheets and his/her multiple attempts will be counted to clear the semester

g) Continuous Internal Evaluation-Practical (CIE-PR)

Periodic Review(s) exams must be conducted on a continuous basis during the semester as per departmental academic calendar of the laboratory sessions. Regularity in Lab Work & final Submission of Laboratory Work/Journal/ work place based assessment/ on job training / Project-Internship Report/viva shall also be considered for marks of LW submission. In case of viva voce, focus may be given to competency based assessment. For example, if a practical exam of 10 marks is being conducted, then faculty can ask 5 questions of 2 marks each. Such question shall intent to test the competency level of the student. However, the weightage of marks of PR-1, PR-2, PR-3 and Lab work submission is mentioned below considering nature and weightage of the course.

Marks distribution for PR-1,PR-2,PR-3 & Lab Work Submission

Mark Distribution for CIE -PR					
Course Type	PR-1	PR-2	PR-3	LW submissions	Total Marks (CIE-PR)
Set - 1 (TH-100 & PR-0 Marks)	NA	NA	NA	NA	NA
Set - 2 (TH-0 & PR- 100 Marks)	20	20	NA	10	50
Set - 3 (TH-100 & PR-50 Marks)	6	6	NA	13	25
Set - 4 (TH-50 & PR-100 Marks)	10	15	15	10	50

The students who fail to obtain passing marks will have to appear in a repeater students' exam of CIE (PR) component in the subsequent semesters until he/she pass it. If a student is appearing for the remedial exam of that semester, then actual marks scored shall be awarded to repeater students with reason that he will be

issued more than one grade sheets and his/her multiple attempts will be counted to clear the semester.

h) End Semester Examination/Evaluation-Practical (ESE-PR)

ESE-PR assessment may consist of final submission of Laboratory Work/Journal/ work place based assessment/ Presentations/ on job training / Project- Internship Report/viva etc.

For ESE-PR of 50 marks, test considering 25 Marks for Practical/ Experiment, 15 Marks for Viva Voce & 10 Marks for Journal/ Submission shall be conducted.

For ESE-PR of 25 marks, test considering 15 Marks for Practical/ Experiment, 5 Marks for Viva Voce & 5 Marks for Journal/ Submission shall be conducted.

In case of viva voce or practical, focus may be given to competency based assessment. For example, if a practical exam of 10 marks is being conducted, then faculty can ask 5 questions of 2 marks each. Such question shall intent to test the competency level of the student.

Above is for understanding purpose and shall be applied on pro rata basis or as specified by BoS or Academic council for other courses having different marks of ESE-PR.

The students who fail to obtain Passing marks will have to appear in a repeater students' exam of ESE (PR) component in the subsequent semesters until he/she pass it. Once the student appears in the Remedial Exam will be considered as a Repeater Student and actual marks will be awarded to such student with reason that he will be issued more than one grade sheets and his/her multiple attempts will be counted to clear the semester. For semester which are part of first half of the programme duration, for them internal faculty can take examination of ESE-PR and for remaining i.e. second half of the programme, it is desirable that assessment of ESE-PR exam is done by external faculty.

Note:

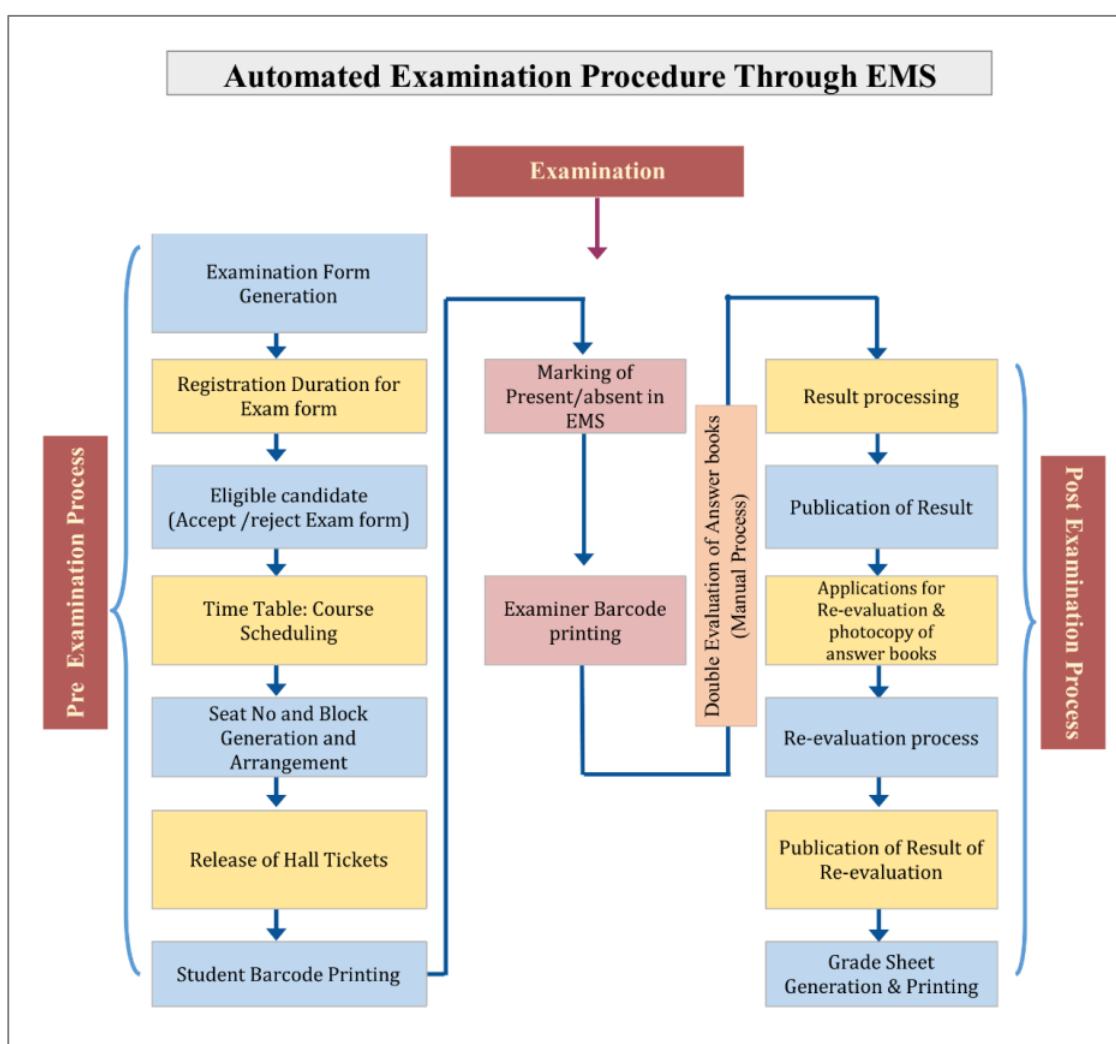

3. The minimum/maximum marks given above are for general understand and shall be considered only as an example. This may vary depending upon the nature of course and weightage given to each component in the teaching and evaluation scheme of that course. University may also conduct examination of any number of marks and can deduced it to the weightage given in the evaluation scheme of such course.
1. In case of any clarification which is not provided for any topic/matter above, then in such case, norms of "Teaching and Evaluation scheme in General" mentioned in Silver Oak University's examination policy or guidelines issued by Government regulatory body shall be referred. However, in case ambiguity in any matter, the decision of the Provost shall be considered final..

4. INFORMATION TECHNOLOGY (IT) INTEGRATION IN THE EXAMINATION MANAGEMENT SYSTEM - AN OVERVIEW

The University gives priority to on-time evaluation and quality assessments in its teaching and learning processes. It has updated its examination procedures and implemented a transparent and effective internal assessment system.
